## Independent Auditor's Report

To the Members of SRL Limited

Report on the Audit of the Standalone Financial Statements

### Opinion

We have audited the standalone financial statements of SRL Limited (the "Company") which comprise the standalone balance sheet as at 31 March 2023, and the standalone statement of profit and loss (including other comprehensive income), standalone statement of changes in equity and standalone statement of cash flows for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2023, and its profit and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

### Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the *Auditor's Responsibilities for the Audit of the Standalone Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

### Emphasis of Matter

We draw attention to Note 56 and 57 of the standalone financial statements which deals with various matters including the ongoing investigation by Serious Fraud Investigation Office ("SFIO") on Fortis Healthcare Limited ("FHL" or the "Parent Company") and its subsidiaries ("the Fortis Group") regarding alleged improper transactions and non-compliances with laws and regulations including Companies Act, 2013. These transactions and non-compliances relate to or originated prior to take over of control of Parent Company by its reconstituted board of directors in the year ended 31 March 2018. As mentioned in the note, the Group has been submitting information required by SFIO and is also cooperating in the regulatory investigations.

As explained in the said note, the Fortis Group had recorded significant adjustments/ provisions in its books of account during the year ended 31 March 2018. The Parent Company has launched legal proceedings and has also filed a complaint with the Economic Offences Wing ('EOW') against erstwhile promoters and their related entities based on the findings of the investigation conducted by the Fortis Group. Based on management's detailed analysis and consultation with external legal counsel, any further financial impact, to the extent it can be reliably estimated as at present, is not expected to be material.

## Independent Auditor's Report (Continued)

SRL Limited

Our opinion is not modified in respect of this matter.

### Other Information

The Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the financial statements and auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### Management's and Board of Directors' Responsibilities for the Standalone Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs, profit/ loss and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

### Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

## Independent Auditor's Report (Continued)

### SRL Limited

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management and Board of Directors.
- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting in preparation of standalone financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

#### Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- 2 A. As required by Section 143(3) of the Act, we report that:
  - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - c. The standalone balance sheet, the standalone statement of profit and loss (including other comprehensive income), the standalone statement of changes in equity and the standalone statement of cash flows dealt with by this Report are in agreement with the books of account.
  - d. In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act.
  - e. On the basis of the written representations received from the directors as on 31 March 2023 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2023 from being appointed as a director in terms of Section 164(2) of the Act.
  - f. With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- B. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of

**Independent Auditor's Report (Continued)**

**SRL Limited**

the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- a. The Company has disclosed the impact of pending litigations as at 31 March 2023 on its financial position in its standalone financial statements - Refer Note 42, 56, 57 and 58 to the standalone financial statements.
- b. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- c. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- d (i) The management has represented that, to the best of it's knowledge and belief, as disclosed in the Note 55(v) to the standalone financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.  
(ii) The management has represented that, to the best of it's knowledge and belief, as disclosed in the Note 55(vi) to the standalone financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Parties ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.  
(iii) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (i) and (ii) above, contain any material misstatement.
- e. The final dividend paid by the Company during the year, in respect of the same declared for the previous year, is in accordance with Section 123 of the Act to the extent it applies to payment of dividend.  
  
As stated in Note 55A to the standalone financial statements, the Board of Directors of the Company has proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The dividend declared is in accordance with Section 123 of the Act to the extent it applies to declaration of dividend.
- f. As proviso to rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable for the Company only with effect from 1 April 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 is not applicable.

C. With respect to the matter to be included in the Auditor's Report under Section 197(16) of the Act:

In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) of the Act.

**Annexure A to the Independent Auditor's Report on the Standalone Financial Statements of SRL Limited for the year ended 31 March 2023**

**(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)**

- (i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
- (B) The Company has maintained proper records showing full particulars of intangible assets.
- (i) (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has a regular programme of physical verification of its Property, Plant and Equipment by which all property, plant and equipment are verified in a phased manner over a period of three years. In accordance with this programme, certain property, plant and equipment were verified during the year. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties (other than immovable properties where the Company is the lessee and the leases agreements are duly executed in favour of the lessee) disclosed in the standalone financial statements are held in the name of the Company.
- (d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not revalued its Property, Plant and Equipment (including Right of Use assets) or intangible assets or both during the year.
- (e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no proceedings initiated or pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.
- (ii) (a) The inventory, has been physically verified by the management during the year. In our opinion, the frequency of such verification is reasonable and procedures and coverage as followed by management were appropriate. No discrepancies were noticed on verification between the physical stocks and the book records that were more than 10% in the aggregate of each class of inventory.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets. In our opinion, the quarterly returns or statements filed by the Company with such banks or financial institutions are in agreement with the books of account of the Company except as follows:

Quarter	Particulars	Name of bank	Amount as per books of account (in Rs. lakhs)	Amount as reported in the quarterly return/ statement (in Rs. lakhs)	Amount of difference (in Rs. lakhs)	Whether return /statement subsequently rectified
June	Inventory	Axis Bank	3,886.58	3,504.00	382.58	No

		Limited,H DFC Bank Limited				

- (iii) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not provided any guarantee or security or advances in the nature of loans, secured or unsecured to companies, firms, limited liability partnership or any other parties during the year. The Company has made investments and granted unsecured loan to companies and other parties during the year, in respect of which the requisite information is as below. The Company has not made any investments or granted any loans, secured or unsecured, to firms, limited liability partnership or any other parties during the year.
- (a) Based on the audit procedures carried on by us and as per the information and explanations given to us the Company has provided loan to subsidiary and made investments in any other entity as below:

Particulars	Loan (in Rs. lakhs)	Investment (in Rs. lakhs)
Aggregate amount during the year		
– Subsidiaries *	2,500.00	4,630.50
– Other (Investment in Mutual Funds)	-	12,099.40
Balance outstanding as at balance sheet date		
– Subsidiaries *	11,767.10	78,520.61
– Other (Investment in Mutual Funds)	-	-

\*As per the Companies Act, 2013

- (b) According to the information and explanations given to us and based on the audit procedures conducted by us, in our opinion the investments made during the year and the terms and conditions of the loans granted during the year are, prima facie, not prejudicial to the interest of the Company. Deemed investment of Rs. 4,630.50 lakhs made in SRL Diagnostics Private Limited (subsidiary) is to protect its existing investments in the subsidiary and accordingly are

**Annexure A to the Independent Auditor's Report on the Standalone Financial Statements of SRL Limited for the year ended 31 March 2023 (Continued)**

not prejudicial to the interest of the Company. The Company has not given any advances in the nature of loans or security to any party during the year.

- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, in the case of loans given, in our opinion the repayment of principal and payment of interest has been stipulated and the repayments or receipts have been regular except for the following loans given to SRL Diagnostics Private Limited (subsidiary):

Loan amount	Terms of repayment at the beginning of the year	Remarks
Rs. 7,700 lakhs	Repayable on demand anytime after 31 March 2023.	No stipulation of repayment of principal or payment of interest and accordingly we are unable to comment on the regularity of repayment of principal and payment of interest. The terms have been extended for repayment on demand anytime after 31 March 2024.
Rs. 1,000 lakhs	Repayable on demand anytime till 31 March 2023.	The Company has not demanded stipulated repayment of loan amounting Rs 1,000 Lakhs during the year. The terms have been extended for repayment on demand anytime till 31 March 2024. Further, terms of payment of interest are not stipulated.

In case of loan of Rs. 2,500 lakhs granted during the year to SRL Diagnostics Private Limited (subsidiary), the terms of payment of interest are not stipulated. Further, the Company has not given any advance in the nature of loan to any party during the year.

- (d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, in the case of loans given to SRL Diagnostics Private Limited (subsidiary) as stated below, in our opinion the repayment of principal and payment of interest has not been stipulated and accordingly we are unable to comment on the amount overdue for more than ninety days:

Loan amount	Terms of repayment at the beginning of the year	Remarks
Rs. 7,700 lakhs	Repayable on demand anytime after 31 March 2023.	No stipulation of repayment of principal or payment of interest.  During the year, the terms have been extended for repayment on demand anytime after 31 March 2024.

Other than those mentioned above, there is no overdue amount for more than ninety days in respect of loans given. Further, the Company has not given any advances in the nature of loans to any party during the year.

**Annexure A to the Independent Auditor's Report on the Standalone Financial Statements of SRL Limited for the year ended 31 March 2023 (Continued)**

- (e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, in our opinion following instances of loans falling due during the year were renewed or extended or settled by fresh loans:

Name of the parties	Aggregate amount of loans or advances in the nature of loans granted during the year (Amount in Rs. lakhs)	Aggregate overdue amount settled by renewal or extension or by fresh loans granted to same parties (Amount in Rs. lakhs)	Percentage of the aggregate to the total loans or advances in the nature of loans granted during the year
SRL Diagnostics Private Limited (subsidiary)	3,500	1,000	29%

- (f) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment.
- (iv) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not provided any guarantee or security as specified under Section 185 and 186 of the Companies Act, 2013 ("the Act"). In respect of the loans granted and investments made by the Company, in our opinion the provisions of Section 186 of the Act have been complied with.
- (v) The Company has not accepted any deposits or amounts which are deemed to be deposits from the public. Accordingly, clause 3(v) of the Order is not applicable.
- (vi) We have broadly reviewed the books of accounts maintained by the Company pursuant to the rules prescribed by the Central Government for maintenance of cost records under Section 148(1) of the Act in respect of services provided by it and are of the opinion that prima facie, the prescribed accounts and records have been made and maintained. However, we have not carried out a detailed examination of the records with a view to determine whether these are accurate or complete.
- (vii) (a) The Company does not have liability in respect of Service tax, Duty of excise, Sales tax and Value added tax during the year since effective 1 July 2017, these statutory dues has been subsumed into GST.

According to the information and explanations given to us and on the basis of our examination of the records of the Company, in our opinion amounts deducted / accrued in the books of account in respect of undisputed statutory dues including Goods and Service Tax, Provident Fund, Employees State Insurance, Income-Tax, Duty of Custom, Cess or other statutory dues have generally been regularly deposited by the Company with the appropriate authorities, though there have been slight delays in a few cases of Provident Fund.

According to the information and explanations given to us and on the basis of our examination of the records of the Company, no undisputed amounts payable in respect of Goods and Service Tax, Provident Fund, Employees State Insurance, Income-Tax, Duty of Custom, Cess or other statutory dues were in arrears as at 31 March 2023 for a period of more than six months from the date they became payable, except as mentioned below:

**Annexure A to the Independent Auditor's Report on the Standalone Financial Statements of SRL Limited for the year ended 31 March 2023 (Continued)**

Name of the statute	Nature of the dues	Period to which the amount relates	Amount (Rs. in lakhs)	Due date	Date of payment
The Employees' Provident Funds and Miscellaneous Provisions Act, 1952	Provident Fund	March 2019	31.08	15 April 2019	Not yet paid
The Employees' Provident Funds and Miscellaneous Provisions Act, 1952	Provident fund	April to September 2022	51.81	15th day of the following month	Not yet paid

- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, statutory dues relating to Goods and Service Tax, Provident Fund, Employees State Insurance, Income-Tax, Duty of Customs or Cess or other statutory dues which have not been deposited on account of any dispute are as follows:

Name of the statute	Nature of the dues	Period to which the amount relates	Amount (Rs. in lakhs)	Paid under protest (Rs. in lakhs)	Forum where dispute is pending

- (viii) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not surrendered or disclosed any transactions, previously unrecorded as income in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year.
- (ix) (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not defaulted in repayment of loans and borrowing or in the payment of interest thereon to any lender.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been declared a wilful defaulter by any bank or financial institution or government or government authority.
- (c) In our opinion and according to the information and explanations given to us by the management, term loans were applied for the purpose for which the loans were obtained.
- (d) According to the information and explanations given to us and on an overall examination of the balance sheet of the Company, we report that no funds raised on short-term basis have been used for long-term purposes by the Company.
- (e) According to the information and explanations given to us and on an overall examination of the standalone financial statements of the Company, we report that the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries or joint venture as defined under the Act.
- (f) According to the information and explanations given to us and procedures performed by us, we report that the Company has not raised loans during the year on the pledge of securities held in its subsidiaries or joint venture (as defined under the Act).
- (x) (a) The Company has not raised any moneys by way of initial public offer or further public offer (including debt instruments). Accordingly, clause 3(x)(a) of the Order is not applicable.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, clause 3(x)(b) of the Order is not applicable.
- (xi) (a) Based on examination of the books and records of the Company and according to the information and explanations given to us, no fraud by the Company or on the Company has been noticed or reported during the course of the audit.
- (b) According to the information and explanations given to us, no report under sub-section (12) of Section 143 of the Act has been filed by the auditors in Form ADT-4 as prescribed under Rule 13 of the Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- (c) Establishment of vigil mechanism is not mandated for the Company. We have taken into consideration the whistle blower complaints received under the vigil mechanism established voluntarily by the Company during the year and shared with us while determining the nature,

**Annexure A to the Independent Auditor's Report on the Standalone Financial Statements of SRL Limited for the year ended 31 March 2023 (Continued)**

timing and extent of our audit procedures.

- (xii) According to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, clause 3(xii) of the Order is not applicable.
- (xiii) In our opinion and according to the information and explanations given to us, the transactions with related parties are in compliance with Section 177 and 188 of the Act, where applicable, and the details of the related party transactions have been disclosed in the standalone financial statements as required by the applicable accounting standards.
- (xiv) (a) Based on information and explanations provided to us and our audit procedures, in our opinion, the Company has an internal audit system commensurate with the size and nature of its business.
- (b) We have considered the internal audit reports of the Company issued till date for the period under audit.
- (xv) In our opinion and according to the information and explanations given to us, the Company has not entered into any non-cash transactions with its directors or persons connected to its directors and hence, provisions of Section 192 of the Act are not applicable to the Company.
- (xvi) (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clause 3(xvi)(a) of the Order is not applicable.
- (b) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clause 3(xvi)(b) of the Order is not applicable.
- (c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, clause 3(xvi)(c) of the Order is not applicable.
- (d) According to the information and explanations provided to us, the Group (as per the provisions of the Core Investment Companies (Reserve Bank) Directions, 2016 as amended) does not have any CIC. Accordingly, the requirements of clause 3(xvi)(d) are not applicable.
- (xvii) The Company has not incurred cash losses in the current and in the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors during the year. Accordingly, clause 3(xviii) of the Order is not applicable.
- (xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the standalone financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx) In our opinion and according to the information and explanations given to us, there is no unspent amount under sub-section (5) of Section 135 of the Act pursuant to any project. Accordingly,

B S R & Co. LLP

**Annexure B to the Independent Auditor's Report on the standalone financial statements of SRL Limited for the year ended 31 March 2023**

**Report on the internal financial controls with reference to the aforesaid standalone financial statements under Clause (i) of Sub-section 3 of Section 143 of the Act**

**(Referred to in paragraph 2(A)(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)**

**Opinion**

We have audited the internal financial controls with reference to financial statements of SRL Limited ("the Company") as of 31 March 2023 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls were operating effectively as at 31 March 2023, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

**Management's and Board of Directors' Responsibilities for Internal Financial Controls**

The Company's Management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

**Auditor's Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

**Meaning of Internal Financial Controls with Reference to Financial Statements**

A company's internal financial controls with reference to financial statements is a process designed to

**Annexure B to the Independent Auditor's Report on the standalone financial statements of SRL Limited for the year ended 31 March 2023 (Continued)**

provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

**Inherent Limitations of Internal Financial Controls with Reference to Financial Statements**

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**SRL LIMITED**  
**NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED**  
**31 MARCH 2023**

**Note 1. Corporate Information**

SRL Limited (“the Company” or “SRL”), is a public limited Company incorporated in 1995. The registered office of the Company is situated at Fortis Hospital, Sector-62, Phase - VIII, Mohali - 160062, Punjab, India and the corporate office of the Company is situated at 306, Tower-A, 3rd Floor, Unitech Cyber Park, Sector-39 Gurugram- 122002, Haryana.

The Company manages and operates a network of clinical reference laboratories, to provide testing, diagnostics and prognostics monitoring/ screening tests services. The Company also provides laboratory support services for clinical research studies and diagnostics centers.

**Note 2. Significant accounting policies**

This note provides a list of the significant accounting policies adopted in the preparation of these Standalone Financial Statements (“standalone financial statements”). The accounting policies adopted are consistent with those of the previous financial year.

**(a) Basis of preparation**

*(i) Statement of compliance*

These standalone financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 as amended notified under Section 133 of Companies Act, 2013, (“the Act”) and other relevant provisions of the Act. All the amounts included in the standalone financial statements are reported in lacs of Indian Rupees and are rounded to two decimals, except per share data.

The standalone financial statements are approved for issue by the Company’s Board of Directors on 18 May 2023.

*(ii) Functional and presentation currency*

These financial statements are presented in Indian Rupees, which is also the Company’s functional currency. All amounts are in Indian Rupees lakhs except share data and per share data, unless otherwise stated.

*(iii) Historical cost convention*

The standalone financial statements have been prepared under the historical cost basis except for the following items, which are measured on an alternate basis on each reporting date.

<b>Item basis</b>	<b>Measurement</b>
Contingent consideration assumed in a business combination	Fair value
Net defined benefit (asset)/ liability	Fair value of plan assets less the present value of the defined benefit obligation

**SRL LIMITED**  
**NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED**  
**31 MARCH 2023**

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

**(b) Current versus non-current classification**

The Company presents assets and liabilities in the Balance Sheet based on current/ non-current classification.

An asset is treated as current when:

- It is expected to be realised or intended to be sold or consumed in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is expected to be realised within twelve months after the reporting period; or
- It is cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

The Company classifies all other assets as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period; or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities respectively.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle for the purpose of current-non-current classification of assets and liabilities.

**(c) Measurement of fair values**

A number of the accounting policies and disclosures require measurement of fair values, for both financial and non-financial assets and liabilities. Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

The Company has an established control framework with respect to the measurement of fair values. This includes a finance team that has overall responsibility for overseeing all significant fair value measurements, including Level 3 fair values.

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair

**SRL LIMITED**  
**NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED**  
**31 MARCH 2023**

value hierarchy as the lowest level input that is significant to the entire measurement. The Company recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

**(d) Business combinations**

Business combinations (other than business combinations between common control entities) are accounted for using the purchase (acquisition) method. The cost of an acquisition is measured as the fair value of the consideration transferred, equity instruments issued and liabilities incurred or assumed at the date of exchange. The consideration transferred does not include amounts related to the settlement of pre-existing relationships; such amounts are generally recognised in the Statements of Profit or Loss. The cost of acquisition also includes the fair value of any contingent consideration. Identifiable assets acquired and liabilities and contingent liabilities assumed in a business combination are measured initially at fair value at the date of acquisition. Transaction costs incurred in connection with a business combination are expensed as incurred. The excess of the consideration transferred over the fair value of the net identifiable assets acquired is recorded as goodwill. If those amounts are less than the fair value of the net identifiable assets of the business acquired, the difference is recognised in other comprehensive income and accumulated in equity as capital reserve provided there is clear evidence of the underlying reasons for classifying the business combination as a bargain purchase.

If the business combination is achieved in stages, any previously held equity interest is re-measured at its acquisition date fair value and any resulting gain or loss is recognised in profit or loss or OCI, as appropriate.

Business combinations arising from transfers of interests in entities that are under the control of the shareholder that controls the Company are accounted for as if the acquisition had occurred at the beginning of the earliest comparative period presented or, if later, at the date that common control was established; for this purpose comparatives are revised. The assets and liabilities acquired are recognized at their carrying amounts. The identity of the reserves is preserved, and they appear in the financial statements of the Company in the same form in which they appeared in the financial statement of the acquired entity. The differences, if any, between the consideration and the amount of share capital of the acquired entity is transferred to capital reserve (if credit) or revenue reserves (if debit) and if there are no reserves or inadequate reserves, to an amalgamation deficit reserve (if debit), with disclosure of its nature and purpose in the notes to the financial statements.

**(e) Property, plant and equipment (PPE) and intangible assets**

**(i) Property, plant and equipment**

Freehold land is carried at cost. All other items of property, plant and equipment are stated at cost, which includes capitalized borrowing costs, less accumulated depreciation and any accumulated impairment loss. The cost of an item of property, plant and equipment comprises its purchase price, including import duties and other non-refundable taxes or levies, freight, any directly attributable cost of bringing the asset to its working condition for its intended use and estimated cost of dismantling and restoring onsite; any trade discounts and rebates are deducted in arriving at the purchase price.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or

**SRL LIMITED**  
**NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED**  
**31 MARCH 2023**

loss during the reporting period in which they are incurred.

Advances paid towards acquisition of property, plant and equipment outstanding at each Balance Sheet date, are shown under other non-current assets and cost of assets not ready for intended use before the year end, are shown as capital work-in-progress.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

**Transition to Ind AS**

The cost of property, plant and equipment at 1 April 2015, the Company's date of transition to Ind AS, was determined with reference to its carrying value recognised as per the previous GAAP (deemed cost), as at the date of transition to Ind AS.

**(ii) Goodwill and other intangible assets**

- For measurement of goodwill that arises from business combination, refer to accounting policy thereon above. Subsequent measurement is at cost less any accumulated impairment losses.
- Internally generated goodwill is not recognised as an asset. With regard to other internally generated intangible assets:
  - Expenditure on research activities, undertaken with the prospect of gaining new scientific or technical knowledge and understanding, is recognised in the Statement of Profit and Loss as incurred.
  - Development expenditure including regulatory cost and legal expenses leading to product registration/ market authorisation relating to the new and/or improved product and/or process development is capitalised only if development costs can be measured reliably, the product or process is technically and commercially feasible, future economic benefits are probable, and the Company intends to and has sufficient resources to complete development and to use the asset. The expenditure capitalised includes the cost of materials, direct labour, overhead costs that are directly attributable to preparing the asset for its intended use, and directly attributable finance costs (in the same manner as in the case of Property, plant and equipment). Other development expenditure is recognised in the Statement of Profit and Loss as incurred.
- Intangible assets that are acquired (including goodwill recognized for business combinations) are measured initially at cost. After initial recognition, an intangible asset is carried at its cost less accumulated amortization (for finite lives intangible assets) and any accumulated impairment loss. Subsequent expenditure is capitalised only when it increases the future economic benefits from the specific asset to which it relates.

**Transition to Ind AS**

- The cost of Intangible assets at 1 April 2015, the Company's date of transition to Ind AS, was determined with reference to its carrying value recognised as per the previous GAAP (deemed cost), as at the date of transition to Ind AS.

**(iii) Depreciation and amortization methods, estimated useful lives and residual value**

Depreciation is provided on straight line basis on the original cost/ acquisition cost of assets less their estimated residual values for cost of Property, plant and equipment as per the useful life specified in Part 'C'

**SRL LIMITED**  
**NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED**  
**31 MARCH 2023**

of Schedule II of the Act, read with notification dated 29 August 2014 of the Ministry of Corporate Affairs, except for certain classes of Property, plant and equipment which are depreciated based on the internal technical assessment of the management.

The details of useful life are as under:

Category of assets	Management's estimate of useful life	Useful life as per Schedule II
Plant and Machinery		
- Laboratory equipment- Pathology	13 years	13 years
- Laboratory equipment- Imaging	10 years	13 years
Building – RCC Frame structure	60 years	60 years
Office equipment	5 years	5 years
Furniture and fittings	10 years	10 years
Furniture and fittings- signage	5 years	10 years
Vehicles	8 years	8 years
Computers and accessories	3 years	3 years
Air conditioners	8 years	5 years

Freehold land is not depreciated.

Depreciation on leasehold improvements is provided over the lease term or 5 years (which is the expected useful life), whichever is shorter.

Goodwill is not amortized and is tested for impairment annually or more frequently if events or changes in circumstances indicate that they might be impaired.

Estimated useful lives of the intangible assets are as follows:

Category of assets	Management's estimate of Useful Life
Software	3 years
Assay developed	5 years
Trademark and Non-Compete	5-10 years

Depreciation and amortization on property, plant and equipment and intangible assets added/ disposed off during the year has been provided on pro-rata basis with reference to the date of addition/ disposal.

Depreciation and amortization methods, useful lives and residual values are reviewed at the end of each reporting period and adjusted if appropriate.

**(iv) Derecognition**

Property, plant and equipment and intangible assets are derecognised on disposal or when no future economic benefits are expected from its use and disposal. Losses arising from retirement and gains or losses arising from disposal of a tangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the Statement of Profit and Loss.

**SRL LIMITED**  
**NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED**  
**31 MARCH 2023**

**(f) Impairment of non-financial assets**

Goodwill and intangible assets that have an indefinite useful life are not subject to amortisation and are tested annually for impairment, or more frequently if events or changes in circumstances indicate that they might be impaired. The Company's non-financial assets other than inventories and deferred tax assets, are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated.

For impairment testing, assets that do not generate independent cash inflows (i.e. corporate assets) are grouped together into cash-generating units (CGUs). Each CGU represents the smallest group of assets that generates cash inflows that are largely independent of the cash inflows of other assets or CGUs. Goodwill is allocated to cash-generating units for the purpose of impairment testing. The allocation is made to those cash-generating units or groups of cash-generating units that are expected to benefit from the business combination in which the goodwill arose. The units or groups of units are identified at the lowest level at which goodwill is monitored for internal management purposes.

The recoverable amount of a CGU is the higher of its value in use and its fair value less costs to sell. Value in use is based on the estimated future cash flows, discounted to their present value using a discount rate that reflects current market assessments of the time value of money and the risks specific to the CGU.

An impairment loss is recognised if the carrying amount of an asset or CGU exceeds its estimated recoverable amount. Impairment loss recognized in respect of a CGU is allocated first to reduce the carrying amount of any goodwill allocated to the CGU, and then to reduce the carrying amount of the other assets of the CGU (or group of CGUs) on a pro rata basis.

An impairment loss in respect of goodwill is not subsequently reversed. In respect of other assets for which impairment loss has been recognized in prior periods, the Company reviews at reporting date whether there is any indication that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. Such a reversal is made only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortization, if no impairment loss had been recognized.

**(g) Financial instrument**

A Financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

*Financial assets*

*Initial recognition and measurement*

Trade receivables and debt securities issued are initially recognised when they are originated. All other financial assets are initially recognised when the Company becomes a party to the contractual provisions of the instrument.

All financial assets (except trade receivable without a significant financing component) are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. A trade receivable without a significant financing component is initially measured at the transaction price. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the

**SRL LIMITED**  
**NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED**  
**31 MARCH 2023**

marketplace (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

*Subsequent measurement*

For purposes of subsequent measurement, financial assets are classified as measured at:

- Amortised cost
- Fair value through other comprehensive income (FVOCI)
- Fair value through profit or loss (FVTPL)
- Equity instruments measured at fair value through other comprehensive income (FVOCI)

*Financial assets at amortised cost*

A 'Financial asset' is measured at the amortised cost if the asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. The effective interest rate is the rate that exactly discounts estimated future cash payments or receipts through the expected life of the financial instrument to the gross carrying amount of the financial asset or the amortised cost of the financial liability. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in other income in the Statement of Profit and Loss. The losses arising from impairment are recognised in the Statement of Profit and Loss. This category generally applies to trade and other receivables.

*Financial assets at FVOCI*

A 'Financial asset' is classified as at the FVOCI if the objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and the asset's contractual cash flows represent SPPI.

Financial assets included within the FVOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognised in the other comprehensive income (OCI). On derecognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified to the Statement of Profit and Loss. Interest earned whilst holding FVOCI financial asset is reported as interest income using the EIR method.

*Financial assets at FVTPL*

FVTPL is a residual category for financial assets. Any financial asset, which does not meet the criteria for categorisation as at amortised cost or as FVOCI, is classified as at FVTPL. In addition, at initial recognition, the Company may irrevocably elect to designate a financial asset, which otherwise meets amortised cost or FVOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch').

Financial assets included within the FVTPL category are measured at fair value with all changes recognised in the Statement of Profit and Loss.

**SRL LIMITED**  
**NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED**  
**31 MARCH 2023**

---

*Equity investments*

Equity investments in subsidiaries and jointly controlled entities are carried at cost less accumulated impairment losses, if any. Where an indication of impairment exists, the carrying amount of the investment is assessed and written down immediately to its recoverable amount. On disposal of investments in such entities, the difference between net disposal proceeds and the carrying amounts are recognized in the Statement of Profit and Loss.

All other equity investments which are in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading and contingent consideration recognised by an acquirer in a business combination to which Ind AS 103 applies are classified as at FVTPL. For all other equity instruments in scope of Ind AS 109, the Company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at FVOCI, then all fair value changes on the instrument, excluding dividends, are recognised in the OCI. There is no recycling of the amounts from OCI to the Statement of Profit and Loss, even on sale of investment. However, the Company may transfer the cumulative gain or loss to retained earnings. This decision is made on an investment-by-investment basis.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognised in the Statement of Profit and Loss.

*Impairment of financial assets*

The Company recognizes loss allowance using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. For all financial assets with contractual cash flows other than trade receivable, ECLs are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of ECL (or reversal) that is required to adjust the loss allowance at the reporting date is recognised as an impairment gain or loss in the Statement of Profit and Loss.

ECLs are a probability-weighted estimate of credit losses. Credit losses are measured as the present value of all cash shortfalls (i.e. the difference between the cash flows due to the entity in accordance with the contract and the cash flows that the Company expects to receive). ECLs are discounted at the effective interest rate of the financial asset.

At each reporting date, the Company assesses whether financial assets carried at amortised cost and debt securities at FVOCI are credit-impaired. A financial asset is 'credit-impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred.

Loss allowances for financial assets measured at amortised cost are deducted from the gross carrying amount of the assets. For debt securities at FVOCI, the loss allowance is recognised in OCI.

*Write off of financial assets*

The gross carrying amount of a financial asset is written off when the Group has no reasonable expectations of recovering a financial asset in its entirety or a portion thereof. The Company expects no significant recovery from the amount written off.

**SRL LIMITED**  
**NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED**  
**31 MARCH 2023**

However, financial assets that are written off could still be subject to enforcement activities in order to comply with the Company's procedures for recovery of amounts due.

*Derecognition of financial assets*

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognized (i.e., removed from the Company's balance sheet) when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

*Financial liabilities*

Financial liabilities are classified as measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held-for-trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in Statement of Profit and Loss. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in Statement of Profit and Loss. Any gain or loss on derecognition is also recognised in Statement of Profit and Loss.

*Derecognition of financial liabilities*

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

*Offsetting*

Financial assets and financial liabilities are offset and the net amount presented in the Balance Sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

**SRL LIMITED**  
**NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED**  
**31 MARCH 2023**

---

**(h) Inventories**

Inventories are valued at lower of cost and net realisable value except scrap, which is valued at net estimated realisable value.

The Company uses weighted average method to determine cost for all categories of inventories except for goods in transit which is valued at specifically identified purchase cost. Cost includes all costs of purchase, and other costs incurred in bringing the inventories to their present location and condition inclusive of non-refundable (adjustable) taxes wherever applicable.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs necessary to make the sale. The comparison of cost and net realisable value is made on an item-by-item basis.

**(i) Cash and cash equivalents**

Cash and cash equivalents include cash in hand, demand deposits with banks and other short-term highly liquid investments with original maturities of three months or less.

For the purpose of statement of cash flows, cash and cash equivalent includes cash in hand, in banks, demand deposits with banks and other short-term highly liquid investments with original maturities of three months or less, net of outstanding bank overdrafts that are repayable on demand and are considered part of the cash management system.

**(j) Contingent liabilities and contingent assets**

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the standalone financial statements unless the possibility of an outflow of resources embodying economic benefits is remote. Contingent liabilities and commitments are reviewed by the management at each balance sheet date.

Contingent assets are neither recognised nor disclosed in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an inflow of economic benefits will arise, the asset and related income are recognised in the period in which the change occurs.

**(k) Provisions**

A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. Where discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

**SRL LIMITED**  
**NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED**  
**31 MARCH 2023**

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at reporting date, taking into account the risks and uncertainties surrounding the obligation. When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, the receivable is recognized as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

A contract is considered to be onerous when the expected economic benefits to be derived by the Company from the contract are lower than the unavoidable cost of meeting its obligations under the contract. The provision for an onerous contract is measured at the present value of the lower of the expected cost of terminating the contract and the expected net cost of continuing with the contract. Before such a provision is made, the Company recognises any impairment loss on the assets associated with that contract.

Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate. If it is no longer probable that the outflow of resources would be required to settle the obligation, the provision is reversed.

**(l) Revenue recognition**

Revenue primarily comprises medical testing charges. Medical testing charges consists of fees received for various tests conducted in the field of pathology and radiology.

Contracts with customers could include promises to transfer multiple services to a customer. The Company assesses the services promised in a contract and identifies distinct performance obligation in the contract. Revenue for each distinct performance obligation is measured at an amount that reflects the consideration which the Company expects to receive in exchange for those services and is net of tax collected from customers and remitted to government authorities and applicable discounts and allowances including claims.

Revenue from Medical tests is recognized when the reports are generated and released to customers, net of discounts, if any.

Revenue is measured based on the consideration specified in a contract with a customer. Revenue is recognised at a point in time when the Company satisfies performance obligations by transferring the promised services to its customers. Generally, each test represents a separate performance obligation for which revenue is recognised when the test report is generated i.e. when the performance obligation is satisfied. For allocating the transaction price, the Company has measured the revenue in respect of each performance obligation of a contract at its relative standalone selling price. The price that is regularly charged for a test when registered separately is the best evidence of its standalone selling price. Any revenue transaction for which the Company has acted as an agent without assuming the risks and rewards of ownership have been reported on a net basis.

Excess of revenue recognised over billings on contracts is recorded in books as unbilled revenue. Unbilled revenue is classified as trade receivables when there is unconditional right to receive cash, and only passage of time is required, as per contractual terms. Contract liabilities include deferred revenue. Deferred revenue is recognised as other current liability when there is billings in excess of revenue.

Loyalty program liability represents the liability of the Company towards the points earned by the members, which entitle customers to discount on future purchase of services. The Company allocates a portion of the consideration received to loyalty points. The Company estimates the fair value of points awarded under the loyalty program by applying statistical techniques. Inputs to the model include making assumptions about expected redemption rate basis the Company's historic trends of redemption and expiry period of the points and such estimates are subject to significant uncertainty. The amount allocated to the loyalty programme is deferred and is recognised as revenue when loyalty points are redeemed or the likelihood of the customer

**SRL LIMITED**  
**NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED**  
**31 MARCH 2023**

---

redeeming the loyalty points becomes remote.

Other operating revenue comprises management fees which is recognised over time, in accordance with the terms of the relevant agreements, as and when services are rendered.

**(m) Employee benefits**

*Short-term employee benefits*

All employee benefits falling due within twelve months of the end of the period in which the employees render the related services are classified as short-term employee benefits, which include benefits like salaries, wages, short term compensated absences, performance incentives, etc. and are recognised as expenses in the period in which the employee renders the related service and measured accordingly.

*Post-employment benefits*

Post-employment benefit plans are classified into defined benefits plans and defined contribution plans as under:

a) **Gratuity:**

The Company has an obligation towards gratuity, a defined benefit retirement plan covering eligible employees. The plan provides for a lump sum payment to vested employees at retirement, death while in employment or on termination of employment of an amount based on the respective employee's salary and the tenure of employment. The liability in respect of gratuity is recognised in the books of account based on actuarial valuation by an independent actuary.

b) **Provident fund:**

(i) The Company's contribution to provident fund is treated as defined contribution plan under which an entity pays fixed contributions to government administered fund and will have no legal or constructive obligation to pay further amounts.

(ii) The Company's contribution to the provident fund is charged to Statement of Profit and Loss in the periods during which the related services are rendered by employees.

*Other long-term employee benefits:*

As per the Company's policy, eligible leaves can be accumulated by the employees and carried forward to future periods to either be utilised during the service or encashed. Encashment can be made on retirement including early retirement, on withdrawal of scheme, at resignation and upon death of the employee. Accumulated compensated absences are treated as other long-term employee benefits.

Termination benefits are recognised as an expense when, as a result of a past event, the Company has a present obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation.

*Actuarial valuation*

The liability in respect of all defined benefit plans and other long-term benefits is accrued in the books of account on the basis of actuarial valuation carried out by an independent actuary using the Projected Unit

**SRL LIMITED**  
**NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED**  
**31 MARCH 2023**

Credit Method. The obligation is measured at the present value of estimated future cash flows. The discount rates used for determining the present value of obligation under defined benefit plans, is based on the market yields on Government securities as at the Balance Sheet date, having maturity periods approximating to the terms of related obligations.

Remeasurement gains and losses on other long-term benefits are recognised in the Statement of Profit and Loss in the year in which they arise. Remeasurement gains and losses in respect of all defined benefit plans arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in other equity in the Statement of Changes in Equity and in the Balance Sheet. Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost. Gains or losses on the curtailment or settlement of any defined benefit plan are recognised when the curtailment or settlement occurs. Any differential between the plan assets (for a funded defined benefit plan) and the defined benefit obligation as per actuarial valuation is recognised as a liability if it is a deficit or as an asset if it is a surplus (to the extent of the lower of present value of any economic benefits available in the form of refunds from the plan or reduction in future contribution to the plan).

Past service cost is recognised as an expense in the Statement of Profit or Loss on a straight-line basis over the average period until the benefits become vested. To the extent that the benefits are already vested immediately following the introduction of, or changes to, a defined benefit plan, the past service cost is recognised immediately in the Statement of Profit and Loss. Past service cost may be either positive (where benefits are introduced or improved) or negative (where existing benefits are reduced). Net interest expense is recognised as finance cost, and other expenses related to defined benefit plans are recognised as employee benefit expenses, in the statement of profit and loss.

**(n) Share-based payments**

The grant date fair value of options granted (net of estimated forfeiture) to employees of the Company is recognized as an employee expense, and those granted to employees of subsidiaries is considered as the Company's equity contribution and is added to the carrying value of investment in the respective subsidiaries, with a corresponding increase in equity over the period that the employees become unconditionally entitled to the options. The expense is recorded for each separately vesting portion of the award as if the award was, in substance, multiple awards. The increase in equity recognized in connection with share-based payment transaction is presented as a separate component in equity under "share option outstanding account". The amount recognized as an expense is adjusted to reflect the actual number of stock options that vest. For the option awards, grant date fair value is determined under the option-pricing model (Black-Scholes-Merton). Forfeitures are estimated at the time of grant and revised, if necessary, in subsequent periods if actual forfeitures materially differ from those estimates.

Corresponding balance of a share-based payment reserve is transferred to general reserve upon expiry of grants or upon exercise of stock options by an employee.

**(o) Finance costs**

Finance costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Finance cost also includes exchange differences to the extent regarded as an adjustment to the finance costs. General and specific borrowing costs that are directly attributable to the construction or production or development of a qualifying asset are capitalized as part of the cost of that asset. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale. All other finance costs are expensed in the period in which they occur.

**SRL LIMITED**  
**NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED**  
**31 MARCH 2023**

---

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the finance costs eligible for capitalization. Ancillary costs incurred in connection with the arrangement of borrowings are amortised over the period of such borrowings.

**(p) Income tax**

Income tax expense comprises current and deferred tax. It is recognised in Statement of Profit and Loss except to the extent that it relates to a business combination, or items recognised directly in equity or in OCI.

*Current taxes*

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax payable or receivable is the best estimate of the tax amount expected to be paid or received after considering uncertainty related to income taxes, if any. It is measured using tax rates enacted or substantively enacted at the reporting date.

Current tax assets and liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

*Deferred taxes*

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. Deferred tax is not recognised for:

- temporary differences arising on the initial recognition of assets or liabilities in a transaction that is not a business combination and that affects neither accounting nor taxable profit or loss at the time of the transaction;
- temporary differences related to investments in subsidiaries, or joint ventures, to the extent that the Company is able to control the timing of the reversal of the temporary differences and it is probable that they will not reverse in the foreseeable future; and
- taxable temporary differences arising on the initial recognition of goodwill.

Deferred tax assets are recognised for unused tax losses, unused tax credits and deductible temporary differences to the extent that it is probable that future taxable profits will be available against which they can be used. Unrecognised deferred tax assets are reassessed at each reporting date and recognised to the extent that it has become probable that future taxable profits will be available against which they can be used. Deferred tax is measured at the tax rates that are expected to be applied to the period when the asset is realised or the liability is settled, based on the laws that have been enacted or substantively enacted by the reporting date. The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

**NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED**  
**31 MARCH 2023**

---

**(q) Leases**

**(i) As a lessee**

The Company accounts for assets taken under lease arrangement in the following manner:

The Company recognises a right-of-use asset and a lease liability at the lease commencement date. The right of use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentive received.

The right of use asset is subsequently depreciated using the straight line method from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain remeasurements of the lease liability.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the Company's incremental borrowing rate.

Lease payments included in the measurement of the lease liability comprise the fixed payments, including in-substance fixed payments.

The lease liability is measured at amortised cost using the effective interest method. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in Company's estimate of the amount expected to be payable under a residual value guarantee, or if the Company changes its assessment of whether it will exercise a purchase, extension or termination option or if there is a revised in-substance fixed lease payment.

When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset, or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

Short-term leases and leases of low-value assets

The Company has elected not to recognise right-of use assets and lease liabilities for short term leases that have a lease term of 12 months or less and leases of low value assets. The Company recognises the lease payments associated with these leases as an expense on a straight- line basis over the lease term.

**(ii) As a lessor**

The Company accounts for assets given under lease arrangement in the following manner:

Leases in which a significant portion of the risks and rewards of ownership are not transferred to the Company as lessee are classified as operating leases. Assets subject to operating leases are included in Property, Plant and Equipment. Rental income on operating lease is recognized in the Statement of Profit and Loss on a straight-line basis over the lease term. Costs, including depreciation, are recognized as an expense in the Statement of Profit and Loss. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased assets and recognised on a straight line basis over the lease term.

Leases are classified as finance leases when substantially all of the risks and rewards of ownership transfer from the Company to the lessee. Amounts due from lessees under finance leases are recorded as receivables

**SRL LIMITED**  
**NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED**  
**31 MARCH 2023**

at the Company's net investment in the leases. Finance lease income is allocated to accounting periods so as to reflect a constant periodic rate of return on the net investment outstanding in respect of the lease.

**(r) Foreign currency transactions**

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at balance sheet date exchange rates are generally recognised in Statement of Profit and Loss.

Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined. Translation differences on assets and liabilities carried at fair value are reported as part of the fair value gain or loss. For example translation differences on non-monetary assets such as equity investments classified as FVOCI are recognised in other comprehensive income (OCI).

**(s) Statement of cash flows**

Cash flows are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated. The Company considers all highly liquid investments that are readily convertible to known amounts of cash to be cash equivalents.

**(t) Segment reporting**

An operating segment is a component of the Company that engages in business activities from which it may earn revenues and incur expenses, including revenues and expenses that relate to transactions with any of the Company's other components, and for which discrete financial information is available. Operating segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker ("CODM") who is responsible for allocating resources and assessing performance of the operating segments. Revenues, expenses, assets and liabilities, which are common to the enterprise as a whole and are not allocable to segments on a reasonable basis, have been treated as "unallocated revenues/ expenses/ assets/ liabilities", as the case may be.

**(u) Earnings per share**

**(i) Basic earnings per share**

Basic earnings per share is calculated by dividing:

- the profit attributable to owners of the Company
- by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year.

**(ii) Diluted earnings per share**

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and

**SRL LIMITED**  
**NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED**  
**31 MARCH 2023**

- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity share.

**(v) Recognition of Dividend Income, Interest income or expense**

Dividend income is recognised in profit or loss on the date on which the Company's right to receive payment is established.

Interest income or expense is recognised using the effective interest method.

The 'effective interest rate' is the rate that exactly discounts estimated future cash payments or receipts through the expected life of the financial instrument to the gross carrying amount of the financial asset; or the amortised cost of the financial liability.

In calculating interest income and expense, the effective interest rate is applied to the gross carrying amount of the asset (when the asset is not credit-impaired) or to the amortised cost of the liability. However, for financial assets that have become credit-impaired subsequent to initial recognition, interest income is calculated by applying the effective interest rate to the amortised cost of the financial asset. If the asset is no longer credit-impaired, then the calculation of interest income reverts to the gross basis.

**Note 3A. Critical estimates and judgments**

The preparation of standalone financial statements requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected.

**Judgments**

Information about judgements made in applying accounting policies that have the most significant effects on the amounts recognised in the financial statements is included in the following notes:

- Leasing arrangement (classification) – Note 2(q) and Note 40
- Revenue recognition: whether the Company acts as an agent rather than as a principal in a transaction - Note 2(l)

**Assumptions and estimation uncertainties**

Information about assumptions and estimation uncertainties that have a significant risk of resulting in a material adjustment in the year ending 31 March 2023 is included in the following notes:

- Financial instruments - Note 2(g)
- Fair value measurement – Note 2(c) and Note 45 B
- Impairment test of goodwill and intangible assets: key assumptions underlying recoverable amounts – Note 2(f),
- Measurement of ECL allowance for trade receivables and other assets – Note, 2(g)
- Assessment of useful life and residual value of property, plant and equipment and intangible assets – Note 2(e)
- Revenue recognition – estimate of provision for loyalty points - Note 2(l)
- Leasing arrangement (accounting) – Note 2(q) and Note 40
- Estimation of assets and obligations relating to employee benefits (including actuarial assumptions) – Note 43.

**SRL LIMITED**  
**NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED**  
**31 MARCH 2023**

- Recognition and measurement of provisions and contingencies: key assumptions about the likelihood and magnitude of an outflow of resources – Note 42
- Recognition of deferred tax assets- Note 2(p) and Note 9.
- Acquisition of business: Fair value of the consideration transferred (including contingent transferred) and fair value of the assets acquired and liabilities assumed - Note 2(d) and Note 47 and 48.

**Note 3B. Recent Pronouncements but not yet effective**

Ministry of Corporate Affairs (“MCA”) notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On 31 March 2023, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2022, applicable from 1 April, 2023, as below:

**Ind AS 1 - Presentation of Financial Statements:** This amendment requires the entities to disclose their material accounting policies rather than their significant accounting policies. The effective date for adoption of this amendment is annual periods beginning on or after 1 April, 2023. The Company has evaluated the amendment and the impact of the amendment is insignificant in the Company’s financial statements.

**Ind AS 8 - Accounting Policies, Changes in Accounting Estimates and Errors:** This amendment has introduced a definition of ‘accounting estimates’ and included amendments to Ind AS 8 to help entities distinguish changes in accounting policies from changes in accounting estimates. The effective date for adoption of this amendment is annual periods beginning on or after 1 April, 2023. The Company has evaluated the amendment and there is no impact on its standalone financial statements.

**Ind AS 12 - Income Taxes:** This amendment has narrowed the scope of the initial recognition exemption so that it does not apply to transactions that give rise to equal and offsetting temporary differences. The effective date for adoption of this amendment is annual periods beginning on or after 1 April, 2023. The Company has evaluated the amendment and there is no impact on its standalone financial statements.

**Notes:-**

Goodwill Includes the excess consideration paid by SRL Limited on the net assets of lab acquired by It. (Refer note 47 and 48).

Goodwill is tested for Impairment annually at the year-end or more frequently If there are Indications that goodwill might be Impaired. The Company considers the whole diagnostic business of SRL Limited as a single CGU and hence, the Impairment of goodwill acquired is tested on total diagnostic business of SRL Limited.

The recoverable amounts of the CGUs are determined from value-in-use calculations. The key assumptions for the value-in-use calculations are those regarding the discount rates, growth rates and expected changes to selling prices and direct costs during the year. Management estimates discount rates that reflect current market assessments of the time value of money and the risks specific to the CGUs. The growth rates are based on industry growth forecasts. Changes in selling prices and direct costs are based on past practices and expectations of future changes in the market.

The Company made an assessment of recoverable amount of the CGU based on value-in-use calculations (Level -3, Fair value) which uses cash flow projections based on financial budget approved by management covering a five-year period. Cash flows beyond the five-year period were extrapolated using estimate rates stated below.

**Key Assumptions used for value in use calculations are as follows:**

Particulars	As at 31 March 2023	As at 31 March 2022
Revenue growth rate for five years	10%-14% p.a.	13%-19% p.a.
Growth rate used for extrapolation of cash flow projections beyond five year period	4% p.a.	4% p.a.
Discount rate (Pre tax rate)	19% p.a.	17% p.a.

Management believes that any reasonable possible change in any of these assumptions would not cause the carrying amount to exceed its recoverable amount.

**Revenue growth rates** - Average annual sales growth rate over the five year forecast period is based on past performance, current industry trend, management expectation of market development (including long term Inflation forecast).

**Discount rates** - Management estimates discount rates that reflect current market assessments of the risks specific to the CGU, taking into consideration the time value of money and individual risks of the underlying assets that have not been incorporated in the cash flow estimates. The discount rate calculation is based on the specific circumstances of the Company and its operating segments and is derived from its weighted average cost of capital (WACC).

**Growth rates** - The growth rates are based on industry growth forecasts. Management determines the budgeted growth rates based on past performance and its expectations of market development. The weighted average growth rates used were consistent with industry reports.

**SRL LIMITED**

**NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS**

**Notes:-**

- (a) Credit risk arising from trade receivables is managed in accordance with the Company's established policy with regard to credit limits, control and approval procedures. The concentration of credit risk is limited due to the fact that the customer base is large. The Company further limits its credit risk by establishing a maximum credit period of 7 to 90 days for all its customers (other than related parties). There are no customers which represent more than 5% of the total balance of trade receivables (net) except as mentioned below:

<b>Customer Name</b>	<b>As at 31 March 2023 (Rupees in Lakhs)</b>	<b>As at 31 March 2022 (Rupees in Lakhs)</b>
Fortis Hospitals Limited	1,401.60	1,479.88

- (b) In accordance with Ind AS 109, the Company applies Expected Credit Loss (ECL) model for measurement and recognition of impairment loss towards expected risk of delays and default in collection. The Company has used a practical expedient by computing the expected credit loss allowance based on a provision matrix. Management makes specific provision in cases where there are known specific risks of customer default in making the payments. The provision matrix takes into account historical credit loss experience and adjusted for forward-looking information. The expected credit loss allowance is based on the ageing of the days the receivables are due and the rates as given in the provision matrix. The provision matrix at the end of the reporting period is as follows:

<b>Ageing</b>	<b>Expected credit loss (%)</b>
Not Due	2% - 13%
0-1 year	20% - 41%
1-2 Years	50% - 95%
2-3 Years	63% - 100%
Above 3 Years	80% - 100%

<b>Movement in the expected credit loss allowance</b>	<b>As at 31 March 2023 (Rupees in Lakhs)</b>	<b>As at 31 March 2022 (Rupees in Lakhs)</b>
Balance at beginning of the year	5,352.88	4,803.37
Add: Recognised during the year	956.29	625.79
Less: Bad debts written off	(32.08)	(76.28)
<b>Balance at end of the year</b>	<b>6,277.09</b>	<b>5,352.88</b>

Information about Company's exposure to credit risk and currency risk is disclosed in Note 45(C)

**SRL LIMITED**  
**NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS**

**G. Terms and conditions of transactions with related parties**

a. The sale to and purchase from related parties are made on terms equivalent to those that prevail in arm's length transactions. Outstanding balances at year end are unsecured and interest free and settlement occurs in cash. This assessment is undertaken each financial year through examining the financial assumptions and the market in which the related parties operates.

b. During the previous year, the Company agreed to provide 25% discount to Fortis Healthcare Limited in management fee on account of Impact of COVID-19. The total amount of discount for the previous year amounted to Rs. 124 lakhs.

**40. Leases**

**As lessee**

**Operating Leases**

The Company has obtained lab premises, office premises, godowns and guest houses on operating lease arrangements. The lease terms vary from 11 months to 11 years, renewable at the option of the Company. There are no restrictions imposed by the lease arrangements.

<b>(i) Right-of-use assets - Buildings</b>	<b>As at 31 March 2023</b>	<b>As at 31 March 2022</b>

**SRL LIMITED**  
**NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS**

**41. Commitments**

	As at 31 March 2023 (Rupees in Lakhs)	As at 31 March 2022 (Rupees in Lakhs)
Commitments for the acquisition of property, plant and equipment	593.01	884.45

(a) Going concern support in form of funding and operational support letter issued by the company in favour of SRL Reach Limited and SRL Diagnostics FZ-LLC.

(b) The Company has other commitments, for purchase/sales orders which are issued after considering requirements per operating cycle for purchase/sale of services, employee's benefits. The Company does not have any long term commitments or material non-cancellable contractual commitments/contracts.

**42. Contingent liabilities**

**Claims against the Company, disputed by the Company, not acknowledged as debt :**

(i)

Particulars	As at	
	31 March 2023	31 March 2022
Income tax	6,874.77	6,487.83
Medical related	5,417.81	5,193.23
Others	406.00	172.63
Service tax	965.91	965.91
<b>Total</b>	<b>13,664.49</b>	<b>12,819.60</b>

- (ii) Further, refer claims assessed as contingent liability described in Note 56, 57 and 58
- (iii) The Company has received a claim of Rs. 935.00 Lakhs from an ex-employee alleging certain dues payable by the Company to him in respect to his variable pay, provident fund and ESOPs. The ex-employee has also filed a similar claim of Rs. 1,923.04 Lakhs on the Parent company (Fortis Healthcare Limited). Subsequently, the claimant has filed a petition with National Company Law Tribunal (NCLT) and revised his claim amount to Rs. 3,637.80 Lakhs. The company has filed the response to the petition on merits submitting that the Petition is not maintainable either under facts or law. The matter is currently pending with National Company Law Tribunal.
- (iv) On 28 February 2019, a judgment of the Supreme Court of India interpreting certain statutory defined contribution obligations of employees and employers (the "India Defined Contribution Obligation") altered historical understandings of such obligations, extending them to cover additional portions of the employee's income to measure obligations under employees Provident Fund Act, 1952. There are numerous interpretative issues relating to this judgement as to how the liability should be calculated, including the period of assessment, the application with respect to certain current and former employees and whether interest and penalties may be assessed. As such, the Company has been legally advised not to consider that there is any probable obligations for periods prior to date of aforesaid judgment.
- (v) As per the Foreign Exchange Management Act, 1999 and the applicable rules/regulations, in case of any foreign currency receivables which are not realized within the stipulated time period, prior approval from Reserve Bank of India (RBI) is required. As at 31 March 2022, the Company has foreign currency receivables of Rs. 948.19 lakhs (March 31, 2022 Rs. 1,142.99 Lakhs) from SRL Diagnostics FZ-LLC (Subsidiary) which are outstanding beyond the stipulated time period. During the previous year, SRL Limited applied to RBI for condonation of the delay in repatriation of these dues. In response, the authorised dealer (AD) has stated that since these are export services and not reported in the authorities monitoring system, transactions may not require due date extension. AD Banker has asked the Company to recover the payment and then submit the documents for regularization.

Additionally, the Company is involved in other disputes, lawsuits, claims, governmental and/or regulatory inspections, inquiries, investigations and proceedings, including commercial matters that arise from time to time in the ordinary course of business.

The Company believes that none of the above matters, either individually or in aggregate, are expected to have any material adverse effect on its financial statements. The cash flows in respect of above matters are determinable only on receipt of judgements/decisions pending at various stages/forums.

**43. Employee benefits plans**

**(i) Defined contribution plans**

The Company makes contribution towards employees' provident fund and employees' state insurance plan scheme on behalf of the employees. Under the schemes, the Company is required to contribute a specified percentage of payroll cost, as specified in the rules of the scheme. The Company has recognised the following amounts during the year as expense towards contribution to these plans:

	<b>Year ended 31 March 2023</b>	<b>Year ended 31 March 2022</b>
	<b>(Rupees in Lakhs)</b>	<b>(Rupees in Lakhs)</b>
Provident fund	955.85	952.58
Employees' state Insurance scheme	51.80	78.77
	<b>1,007.65</b>	<b>1,031.35</b>

**(ii) Defined benefit plans**

**Gratuity**

The Company has a defined benefit gratuity plan, wherein every employee who has completed five years or more of service gets a gratuity on departure at 15 days salary (last drawn salary) for each completed year of service subject to a maximum limit of Rs. 20 lakhs in terms of the provisions of Gratuity Act, 1972. The gratuity plan is unfunded.

These plans typically expose the Company to actuarial risks such as: investment risk, interest rate risk, longevity risk and salary risk.

**Investment risk** The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds.

**Interest risk** A decrease in the bond interest rate will increase the plan liability; however, this will be partially offset by an increase in the return on the plan's debt instruments.

**Longevity risk** The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

**Salary risk** The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

The principal assumptions used for the purposes of the actuarial assumptions were as follows:

	<b>As at 31 March 2023</b>	<b>As at 31 March 2022</b>
Discount rate	7.30% p.a.	6.10% p.a.
Expected rate of salary increase	6.50% p.a.	6.50% p.a.
Longevity (Mortality) rate	Indian Assured Lives 2012-14 Ultimate	Indian Assured Lives 2012-14 Ultimate
Employee turnover (attrition rate)		
Up to 30 years	27% p.a.	27% p.a.
31-44 years	20% p.a.	20% p.a.
Above 44 years	12% p.a.	12% p.a.

	<b>Year ended 31 March 2023</b>	<b>Year ended 31 March 2022</b>
	<b>(Rupees in Lakhs)</b>	<b>(Rupees in Lakhs)</b>
<b>Service cost</b>		
Current service cost	243.98	230.84
Net interest expense	99.23	91.64
<b>Recognised in statement of profit and loss</b>	<b>343.21</b>	<b>322.48</b>
<b>Remeasurement on the net defined benefit liability:</b>		
- Actuarial losses arising from changes in demographic assumptions	-	5.56
- Actuarial gains arising from changes in financial assumptions	(108.09)	(35.81)
- Actuarial (gains)/losses arising from experience adjustments	66.57	(46.85)
<b>Recognised in other comprehensive income</b>	<b>(41.52)</b>	<b>(77.10)</b>
<b>Total</b>	<b>301.69</b>	<b>245.38</b>

The current service cost and the net interest expense for the year are included in the 'Employee benefits expense' and 'Finance costs' line item respectively in the Statement of profit and loss. The remeasurement of the net defined benefit liability is included in other comprehensive income.

The amount included in the Balance Sheet arising from the entity's obligation in respect of its defined benefit plans is as follows:

	<b>As at 31 March 2023</b>	<b>As at 31 March 2022</b>
	<b>(Rupees in Lakhs)</b>	<b>(Rupees in Lakhs)</b>
Present value of unfunded defined benefit obligation (Refer note 22 and 28)	1,703.68	1,627.80
	<b>1,703.68</b>	<b>1,627.80</b>

**SRL LIMITED**  
**NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS**

	Year ended 31 March 2023 (Rupees in Lakhs)	Year ended 31 March 2022 (Rupees in Lakhs)
Movement in the present value of the defined benefit obligation are as follows:		
Opening defined benefit obligation	1,627.80	1,623.01
Current service cost	243.99	230.84
Interest cost	99.23	91.64
Re-measurement or Actuarial (gain) / loss arising from		
- Change in demographic assumptions	-	5.56
- Change in financial assumptions	(108.09)	(35.81)
- Experience adjustments	66.57	(46.85)
Benefits paid	(225.82)	(240.59)
<b>Closing defined benefit obligation</b>	<b>1,703.68</b>	<b>1,627.80</b>

Significant actuarial assumptions for the determination of the defined obligation are discount rate, expected salary increase and attrition rate. The sensitivity analysis below have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

	Year ended 31 March 2023 (Rupees in Lakhs)	Year ended 31 March 2022 (Rupees in Lakhs)
If the discount rate increases by 1%	1,622.38	1,545.70
If the discount rate decreases by 1%	1,792.85	1,718.31
If the expected salary growth increases by 1%	1,789.59	1,715.82
If the expected salary growth decreases by 1%	1,623.53	1,546.07
If attrition rate increases by 1%	1,703.22	1,622.13
If attrition rate decreases by 1%	1,703.90	1,633.68
If mortality rate increases by 1%	1,703.85	1,627.79
If mortality rate decreases by 1%	1,703.53	1,627.82

The sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

There was no change in the methods and assumptions used in preparing the sensitivity analysis from prior years.

The weighted average duration of the defined benefit obligation as at 31 March 2023 is 5 years (31 March 2022: 5 years).

The defined benefit plans shall mature after year end as follows:

**Expected total benefits payments**

	As at 31 March 2023 (Rupees in Lakhs)	As at 31 March 2022 (Rupees in Lakhs)
Year 1	313.88	286.79
Year 2	285.75	264.22
Year 3	257.60	215.70
Year 4	224.22	205.49
Year 5	208.93	176.08
Next 5 years	732.43	643.47

The estimates of future salary increases, considered in actuarial valuation, take into account the inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

**Experience adjustments**

	Year ended 31 March 2023 (Rupees in Lakhs)	Year ended 31 March 2022 (Rupees in Lakhs)
Experience adjustment on plan liabilities- (gain) / loss	66.57	(46.85)

**44. Corporate social responsibility**

As per section 135 of the Companies Act, 2013 and the rules therein, the Company is required to spend at least 2% of the average net profit of past three years towards Corporate Social Responsibility (CSR). Details of the CSR expenses, as certified by Management, are as follows:

	Year ended 31 March 2023 (Rupees in Lakhs)	Year ended 31 March 2022 (Rupees in Lakhs)
(i) Amount required to be spent by the Company during the year,	284.61	243.04
(ii) Amount approved by the Board to be spent during the year,	284.61	243.04
(iii) Amount of expenditure incurred,	284.61	243.04
(iv) Shortfall at the end of the year,	-	-
(v) Total of previous years shortfall,	-	-
(vi) Reason for shortfall,	-	-
(vii) Nature of CSR activities,	Contributed to IIT Madras engaged in conducting research in science, technology, engineering and medicine aimed at promoting Sustainable Development Goals (SDGs).	Contributed to PM CARES Fund for combating, and containment and relief efforts against the coronavirus outbreak.

(viii) details of related party transactions, e.g., contribution to a trust controlled by the Company in relation to CSR expenditure as per relevant accounting standard,

(ix) Where a provision is made with respect to a liability incurred by entering into a contractual obligation, the movements in the provision during the year shall be shown separately.

**45. Financial Instruments**

**45A Capital Management**

The Company manages its capital to ensure that Company will be able to continue as going concern. The Company's management reviews the capital structure of the Company on periodic basis. As part of this review, the management considers the cost of capital and the risks associated with each class of capital. The Capital structure of the Company consists of net debt (borrowings as detailed in notes and offset by cash and bank balances) and total equity of the Company. The Company manages its capital structure and makes adjustments in the light of changes in economic environment and the requirements of the financial covenants. The Company is not subject to any externally imposed capital requirements.

The Gearing ratio at end of reporting period was as follows:-

	As at 31 March 2023 (Rupees in Lakhs)	As at 31 March 2022 (Rupees in Lakhs)
Debt (I)	235.40	168.33
Cash and cash equivalent (refer note 14)	8,477.99	5,946.25
Bank balances other than cash & cash equivalent (refer note 15)	6,730.03	13,934.21
<b>Net Debt (A)</b>	<b>(14,972.62)</b>	<b>(19,712.13)</b>
<b>Total equity (B)</b>	<b>137,399.26</b>	<b>133,001.27</b>
Net debt to equity ratio (A/B)	Nil	Nil

(i) Debt is defined as long-term and short-term borrowings

**45B. Fair value measurement**

		Carrying value	
		As at 31 March 2023 (Rupees in Lakhs)	As at 31 March 2022 (Rupees in Lakhs)
<b>Financial assets</b>			
<b>Not measured at fair value</b>			
Loans - non current*	(b)	10,200.00	7,998.40
Loans - current*	(a)	1,268.70	1,007.72
Other financial assets - non current	(b)	723.08	786.94
Other financial assets - current	(a)	769.67	1,076.52
Trade Receivables	(a)	11,088.69	11,424.93
Cash and cash equivalents	(a)	8,477.99	5,946.25
Bank balances other than above	(a)	6,730.03	13,934.21
<b>Total</b>		<b>39,258.16</b>	<b>42,174.98</b>
<b>Financial liabilities</b>			
<b>Measured at fair value</b>			
Contingent purchase consideration	(d)	545.50	-
<b>Not measured at fair value</b>			
Borrowings : non - current **	(b)	152.87	114.67
Lease Liabilities - non current	(c)	3,727.34	3,143.91
Borrowings : current **	(a)	82.53	53.66
Lease Liabilities - current	(c)	1,350.30	1,446.07
Trade payables	(a)	9,760.07	8,636.34
Other financial liabilities - current	(a)	3,156.39	4,273.77
<b>Total</b>		<b>18,775.00</b>	<b>17,668.42</b>

\* Loans primarily include interest bearing loans to subsidiaries given at market rate of interest

\*\* Borrowings include interest bearing loans taken at market rate of interest from Banks and Financial Institutions.

**The following methods / assumptions were used to estimate the fair values:**

- Fair valuation of financial assets and liabilities with short term maturities is considered as approximate to respective carrying amount due to the short term maturities of these instruments.
- Fair valuation of non-current financial assets and liabilities has been disclosed to be same as carrying value as there is no significant difference between carrying value and fair value.
- Fair value measurement of lease liabilities is not required to be disclosed.
- Contingent consideration is payable on achievement of pre-determined business targets. Management has estimated that the target will be achieved basis which the agreed purchase consideration has been considered as the fair value.
- The above disclosure does not include investment in subsidiaries and joint venture of Rs. 78,670.61 Lakhs (Previous year Rs. 75,218.46 Lakhs) which are shown at carrying value (net of impairment) as per INDAS 27 "Separate Financial Statements". There are no financial instruments which are valued under category Level 1, Level 2 and Level 3.

**45C Financial risk management objectives and Policies**

The Company's financial assets includes trade receivables, cash and bank balances, loans and other financial assets that are derived from its operations. The Company's principal financial liabilities comprise trade payables, other liabilities, borrowings and lease liabilities. The main purpose of these financial liabilities is to finance the Company's operations. The Company has exposure to the following risk arising from financial instruments.

- Credit risk
- Market risk
- Liquidity risk

The Company's board of directors manages the financial risk of the Company through internal risk report which analyse exposure by magnitude of risk.

**(a) Credit risk**

**(i) Trade receivable**

Credit risk is the risk of financial loss to the Company if a customer or counter party to a financial instrument fails to meet its contractual obligation and arises principally for the Company's receivable from customers. An Impairment analysis is performed at each reporting date on an individual basis for major customers. The Company holds certain amounts as collateral in form of security deposits against certain class of receivables (primarily includes receivable from collection center). The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. Also, management considers the factors that may influence the credit risk of its customer base, including the default risk associated with the individual characteristics of the customers.

Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the credit worthiness of customers to which the Company grants credit terms in the normal course of business. Sale limits are established for each customer and reviewed quarterly. Any sales exceeding those limits require an exception approval as per Company policy.

In monitoring customer credit risk, customers are grouped according to their credit characteristics, including whether they are a direct client, collection center, franchisee, government agency, history of business with the Company and existence of previous financial difficulties.

Refer note 13 for a summary of company's most significant customers and details on Impairment losses on financial assets recognised in the profit or loss.

**(ii) Current Investments**

Company limits its exposure to credit risk by generally investing in liquid securities. Further, defined limits are in place for exposure to individual counterparties in case of mutual fund schemes.

**(iii) Loans and Other financial assets**

Loans and other financial assets mainly consists of intercompany loan, loan to employees, security deposits, advances recoverable (employee advances) and bank deposits. Bank deposits are held with banks with good credit ratings and the company does not expect any losses. The security deposit pertains to rent deposit given to lessors. The Company does not expect any losses from the non performance of these counterparties, hence no provision has been considered on balances other than those mentioned below.

The movement in the provision recognised against the above assets which are credit impaired as at the year-end is as follows:

Particulars	Amount (Rupees in Lakhs)
<b>As at 31 March 2021</b>	(637.88)
Provision created	(16.03)
<b>As at 31 March 2022</b>	<b>(653.91)</b>
Written off during the year	192.21
Provision created	(311.96)
<b>As at 31 March 2023</b>	<b>(773.66)</b>

The Company's maximum exposure to credit risk for each of the above categories of financial assets is the carrying values at the reporting date. (Also refer note 56)

**(b) Market risk**

Market risk is the risk of loss of future earnings, risk of loss due to change in interest rates, fair values or future cash flows that may result from a change in the price of financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates and other market changes that affect market risk sensitive instruments.

Market risk includes:

- (i) Foreign currency risk
- (ii) Interest rate risk
- (iii) Other price risk

**(i) Foreign currency risk**

The Company has limited exposure in respect to foreign currency risk due to limited international operations. The Company has not taken any derivative contracts to hedge the exposure. Exchange rate exposures are managed within approved policy parameters.

The carrying amounts of the Company's foreign currency denominated monetary assets and monetary liabilities at the end of the reporting year are as follows:

	Currency	As at 31 March 2023			As at 31 March 2022		
		Rupees in Lakhs	Conversion rate	Amount in foreign currency (Lakhs)	Rupees in Lakhs	Conversion rate	Amount in foreign currency (Lakhs)
Trade receivables	USD	771.12	82.15	9.39	681.13	75.51	9.02
Cash balances	AED	-	-	-	0.11	20.55	0.01
	EURO*	0.01	89.34	0.00	0.01	84.09	0.00
	SGD*	0.22	61.83	0.00	0.20	55.78	0.00
	USD	0.91	82.15	0.01	1.47	75.51	0.02

\* Amount in foreign currency not presented due to rounding off.

**Foreign currency sensitivity**

The following table details the Company's sensitivity to a 10% increase and decrease in the Rupees against the relevant foreign currencies. 10% is the sensitivity rate used when reporting foreign currency risk internally to key management personnel and represents management's assessment of the reasonably possible change in foreign exchange rates. The sensitivity analysis includes only outstanding foreign currency denominated monetary items and adjusts their translation at the period end for a 10% change in foreign currency rates. A positive number below indicates an increase in profit or equity where the Rupees strengthens 10% against the relevant currency. For a 10% weakening of the Rupee against the relevant currency, there would be a comparable impact on the profit or equity and the balances below would be negative.

Currency	2022-23		2021-22	
	10% increase	10% decrease	10% increase	10% decrease
<b>Trade Receivable</b>				
USD	77.11	(77.11)	68.11	(68.11)
<b>Cash balances</b>				
AED	0.00	0.00	0.01	(0.01)
EURO*	0.00	(0.00)	0.00	(0.00)
SGD	0.02	(0.02)	0.02	(0.02)
USD	0.09	(0.09)	0.15	(0.15)
<b>Impact on profit/(loss) for the year</b>	<b>77.22</b>	<b>(77.22)</b>	<b>68.29</b>	<b>(68.29)</b>
Less: Tax impact	(19.44)	19.44	(17.19)	17.19
<b>Impact on total equity</b>	<b>57.78</b>	<b>(57.78)</b>	<b>51.10</b>	<b>(51.10)</b>

\* Amount not presented due to rounding off.

The sensitivity analysis is unrepresentative of the inherent foreign exchange risk because the exposure at the end of the reporting period does not reflect the exposure during the year.

**(ii) Interest rate risk**

The Company is not exposed to interest rate risk because the Company has borrowed funds at fixed interest rates. As on 31 March 2023, the Company has given loans to subsidiaries at fixed interest rate which the Company resets at regular intervals basis movement in market rates. Hence, a change in interest rate risk does not have a material impact on the Company's financial statements in relation to fair value of financial instruments.

**(iii) Other price risk**

The Company's investments are in the group companies and are held for strategic purposes rather than for trading purpose.

**(c) Liquidity Risk**

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligation associated with its financial liabilities that are settled by delivering cash. The Company's ultimate responsibility for liquidity risk management rests with the board of directors, which has established an appropriate liquidity risk management framework of the company's short-term, medium-term and long-term funding and liquidity management requirements. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities. Note given below sets out details of additional undrawn facilities that the Company has at its disposal to further reduce liquidity risk.

The Company's principal sources of liquidity are cash and cash equivalent and cash flow that is generated from operations. In addition the Company has funding facilities disclosed below (secured against first pari passu charge on current assets, thereafter second pari passu charge over all moveable property, plant and equipment) which can be drawn to meet short term financial needs.

**Financial arrangement:**

The Company has access to the following undrawn borrowing facilities at the end of the reporting period.

Particulars	As at 31 March 2023		As at 31 March 2022	
	(Rupees in lakhs)		(Rupees In lakhs)	
	Sanctioned limit	Limit utilised	Sanctioned limit	Limit utilised

The Company expects to meet its obligations from operating cash flows and proceeds of maturing financial assets.

**SRL LIMITED**  
**NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS**

**46. Details of dues to Micro and Small Enterprises as per MSME Act, 2006**

The Ministry of Micro, Small and Medium Enterprises has issued an Office Memorandum dated 26 August 2008 which recommends that the Micro Enterprises and Small Enterprises should mention in their correspondence with its customers the Entrepreneurs Memorandum Number as allocated after filing of the Memorandum. Accordingly, the disclosure in respect of the amounts payable to such enterprises as at the year end has been made in the financial statements based on information received and available with the Company.

	As at 31 March 2023 (Rupees in Lakhs)	As at 31 March 2022 (Rupees in Lakhs)
The principal amount remaining unpaid as at the end of year	1,021.92	390.41
Interest due on above principal and remaining unpaid as at the end of the year	7.30	4.67
The amount of interest paid by the buyer in terms of section 16, of the Micro Small and Medium Enterprise Development Act, 2006 along with the amounts of the payment made to the supplier beyond the appointed day during each accounting year	-	-
The amount of interest due and payable for the period of delay in making payment (which have been paid but beyond the appointed day during the year) but without adding the interest specified under Micro Small and Medium Enterprise Development Act, 2006.	29.44	25.49
The amount of interest accrued and remaining unpaid at the end of each accounting year; and	66.90	30.16
The amount of further interest remaining due and payable even in the succeeding years, until such date when the interest dues as above are actually paid to the small enterprise for the purpose of disallowance as a deductible expenditure under section 23 of the Micro Small and Medium Enterprise Development Act, 2006.	-	-

**47. Business combination**

During the current year, effective from July 1, 2023, the Company acquired R K Diagnostic, the whole pathology business vertical. The transaction was for a consideration of Rs. 1,125.00 Lakhs. The amount shall be payable in three tranches Rs 281.25 Lakhs payable on Effective Date, Rs 562.50 Lakhs payable on or before Closing date and Rs 281.25 Lakhs payable with 120 days from Closing Date. The transaction is accounted as business combination and based on purchase price allocation performed, a goodwill of Rs. 964.10 Lakhs has been recorded.

The following table summarizes the recognised amount of assets acquired:

Particulars	(Rupees in Lakhs) Fair Value
Trademark	101.10
Right of use assets	28.57
Property, plant and equipment	59.80
Lease liability	(28.57)
<b>Net assets acquired</b>	<b>160.90</b>

**Goodwill**

Goodwill arising from acquisition has been determined as follows:

Particulars	(Rupees in Lakhs) Amount
Purchase consideration	1,125.00
Fair value of net identifiable assets	160.90
<b>Goodwill</b>	<b>964.10</b>

**Property, plant and equipment**

Cost approach has been adopted to estimate the fair value of Property, plant and equipment.

**Non compete**

The intangible asset related to non-compete has been valued using with or without method, which is form of the income approach. Non compete is having useful life of 10 years.

The Goodwill is attributable mainly to the synergies expected to be achieved by integrating the acquired business into the Company's existing diagnostic business.

Statutory financial statements of the acquiree are not available for the period prior to acquisition hence it is impracticable to disclose revenue and profit or loss of the acquiree for the current reporting period as if the acquisition date for the business combination had been as of 1 April 2022. Contribution of the above business in the current year's revenue and profit is also not available since the books of accounts are not separately maintained. None of the goodwill recognised is deductible for income tax purposes.

**48. Business combination**

During the current year, effective from January 15, 2023, the Company acquired Dr Ponshe Path Lab (Including care diagnostics), located at Ramdaspath Nagpur, Maharashtra. The transaction was for a consideration of Rs. 1,091.00 Lakhs. The amount is payable in two tranches. First tranche of Rs. 545.50 Lakhs has been paid during the year and second tranche of Rs 545.50 lakhs is payable within 60 days from the expiry of the one year period on achievement of net revenue target. The transaction is accounted as business combination and based on purchase price allocation performed, a goodwill of Rs. 814.00 lakhs has been recorded.

The following table summarizes the recognised amount of assets acquired:

Particulars	(Rupees in Lakhs)
	Fair Value
Trademark and non compete fees	223.00
Software	1.43
Right of use assets	142.41
Property, plant and equipment	52.57
Lease liability	(142.41)
<b>Net assets acquired</b>	<b>277.00</b>

**Goodwill**

Goodwill arising from acquisition has been determined as follows:

Particulars	(Rupees in Lakhs)
	Amount
Purchase consideration (including contingent consideration of Rs. 545.50 Lakhs)	1,091.00
Fair value of net identifiable assets	277.00
<b>Goodwill</b>	<b>814.00</b>

**Property, plant and equipment**

Cost approach has been adopted to estimate the fair value of Property, plant and equipment.

**Non compete**

The intangible asset related to non-compete has been valued using with or without method, which is form of the income approach. Non compete is having useful life of 9 years.

The Goodwill is attributable mainly to the synergies expected to be achieved by integrating the acquired business into the Company's existing diagnostic business. Statutory financial statements of the acquiree are not available for the period prior to acquisition hence it is impracticability to disclose revenue and profit or loss of the acquiree for the current reporting period as if the acquisition date for the business combination had been as of 1 April 2022. Contribution of the above business in the current year's revenue and profit is also not available since the books of accounts are not separately maintained. None of the goodwill recognised is deductible for income tax purposes.

**49. Employee Stock Option Plans**

The Company has provided share-based payment scheme to eligible employees and then directors of the Company, its subsidiary (SRL Diagnostics Private Limited), Fortis Healthcare Limited (holding company) and RHC Holding Private Limited. The shareholders of the Company granted approval to 'Super Religare Laboratories Limited Employee Stock Option Plan 2009' and 'SRL Limited Employee Stock Option Scheme 2013'. The Company has granted these options under Equity Settlement method and there are no conditions for vesting other than continued employment with the Company. Details of these schemes are as follows :

Scheme	ESOP 2009		ESOP 2013				
	Equity		Equity				
Date of Board Approval	22 August 2009						
Date of Shareholder's approval	17 August 2009

<b>Modified Option Value</b>	<b>55.38</b>	<b>112.98</b>	<b>177.86</b>	<b>169.18</b>

**Notes:-**

i) The (income)/expenses arising from share-based payment transaction recognised in profit or loss as part of employee benefit expense for the year ended 31 March 2023 and 31 March 2022 were Nil and Nil Lakhs respectively.

ii) \*On the date of transition to Ind AS (i.e. 1 April 2015), the Company had opted for optional exemption available under Ind AS 101 'First time adoption' and not recorded any stock option outstanding account for the options fully vested (ESOP Scheme 2009) as at transition date.

iii) In respect to Nil (31 March 2022: 25,000) options forfeited during the current year, amount aggregating Rs. Nil (31 March 2022: Rs. 30.99 lakhs) has been transferred to general reserve.

**SRL LIMITED**  
**NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS**

**50. Operating segments**

**(a) Basis for segmentation**

The Company is engaged in the business of maintaining and managing clinical reference laboratories, to provide testing and diagnostics on human beings, in the field of both pathology and radiology. As the company's business activity primarily falls within a single operating segment i.e. pathology and radiology services, there are no disclosures required to be provided in terms of Ind AS 108 on 'Operating Segments'.

**(b) Geographical information**

The geographical information analyses the Company's revenue and non-current assets by the Company's country of domicile (i.e. India) and other countries. In presenting the geographical information, segment revenue has been presented based on the geographical location of customers and segment assets which have been presented based on the geographical location of the assets.

	<b>Year ended 31 March 2023 (Rupees in Lakhs)</b>	<b>Year ended 31 March 2022 (Rupees in Lakhs)</b>
<b>(i) Revenue</b>		
India (a)	80,461.37	94,377.52

<b>Revenue from contract with customer</b>	<b>82,059.31</b>	<b>95,512.98</b>
Other operating revenue	1,318.24	1,130.72
<b>Revenue from operations</b>	<b>83,377.55</b>	<b>96,643.70</b>

52. The Company has established a comprehensive system of maintenance of information and documents as required by transfer pricing legislation under section 92-92F of the Income-Tax Act, 1960. Since the law requires existence of such information and documentation to be contemporaneous in nature, the Company continuously updates its documentation for the international transactions entered into with the associated enterprises during the financial year and expects such records to be in existence latest by the due date as required under law. The Management is of the opinion that its international transactions are at arm's length so that the aforesaid legislations will not have impact on the financial statement, particularly on the amount of tax expense and that of provision for taxation.

53. During the previous year, the Company has acquired 50% equity stake equivalent to 250,000 equity shares in 'DDRC SRL Diagnostics Limited' (DDRC SRL), for a cash consideration of Rs. 35,000 lakhs. The said transaction was consummated on 05 April 2021. Post this acquisition, DDRC SRL has become a wholly owned subsidiary of SRL Limited. Purchase consideration included deferred consideration of Rs. 2,500 lakhs payable in 2 equal instalments. The same has been paid on 04 October 2021 and 04 April 2022 respectively.

**SRL LIMITED**  
**NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS**

**54. Ratio Analysis**

Ratio	Numerator	Denominator	As at 31 March 2023	As at 31 March 2022	% Variance	Remarks
Current ratio (in times)	Current Assets	Current Liabilities	1.90	2.24	-15%	
Debt-Equity Ratio (in times)	Total Debt	Shareholder's Equity	0.04	0.04	8%	
Debt Service Coverage ratio (in times)	Earnings for debt service = Net profit after taxes + Non-cash operating expenses+ Interest+ Loss on sale of PPE	Debt service = Interest & Lease Payments + Principal Repayments	6.31	11.79	-47%	Decrease in debt service coverage ratio is due to decrease in profits in the current year.
Return on Equity ratio (in %)	Net Profits after taxes - Preference Dividend	Average Shareholder's Equity	5.99%	12.60%	-52%	Decrease in return in equity ratio is due to decrease in profits in the current year.
Inventory Turnover ratio (in times)	Cost of material consumed+ Cost of tests outsourced	Average Inventory	5.51	7.53	-27%	Decrease in inventory turnover ratio is due to decrease in direct cost during the year
Trade Receivable Turnover Ratio (in times)	Net credit sales = Gross credit sales - sales return	Average Trade Receivable	5.56	6.26	-11%	
Trade Payable Turnover Ratio (in times)	Net credit purchases = Gross credit purchases - purchase return	Average Trade Payables	2.38	3.03	-21%	
Net Capital Turnover Ratio (in times)	Net sales = Total sales - sales return	Working capital = Current assets - Current liabilities	5.19	4.57	13%	
Net Profit ratio (in %)	Net Profit	Net sales = Total sales - sales return	9.75%	16.35%	-40%	Decrease in net profit ratio is due to decrease in profits in the current year.
Return on Capital Employed (in %)	Earnings before interest and taxes	Capital Employed = Tangible Net Worth + Total Debt + Deferred Tax Liability	7.92%	16.06%	-51%	Decrease in return on capital employed is due to decrease in profits in the current year.

**Note:** The Company has not presented return on investment ratio, since the Company invests surplus temporary funds in short term bank deposits and the income generated is insignificant to total turnover.

**55. Additional notes**

- (i) The Company does not have any Benami property, where any proceeding has been initiated or pending against the Company for holding any Benami property.
- (ii) The Company does not have any transactions with companies struck off.
- (iii) The Company does not have any charges or satisfaction which is yet to be registered with Registrar of Companies (ROC) beyond the statutory period.
- (iv) The Company has not traded or invested in Crypto currency or Virtual Currency during the financial year.
- (v) The Company has not advanced or loaned or invested funds to any other person(s) or entity(ies), including foreign entities (Intermediaries) with the understanding that the Intermediary shall:
  - (a). directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of company (Ultimate Beneficiaries) or
  - (b). provide any guarantee or security or the like to or on behalf of Ultimate Beneficiary.
- (vi) The Company has not received any fund from any person(s) or entity(ies), including foreign entities (Funding Party) with the understanding (whether recorded in writing or otherwise) that the Company shall:
  - (a). directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate Beneficiaries) or
  - (b). provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries
- (vii) The Company has not entered into any such transaction which is not recorded in the books of accounts that has been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (such as, search or survey or any other relevant provisions of the Income Tax Act, 1961)

**SRL LIMITED**  
**NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS**

- (viii) The Company has used the borrowings from banks and financial institutions for the specific purpose for which it was taken.
- (ix) The Company has compiled with the number of layers prescribed under the Companies Act, 2013.
- (x) The Company has not revalued its property, plant and equipment (including right-of-use assets) or intangible assets or both during the current or previous year.
- (xi) The Company has not entered into scheme of arrangement which has an accounting impact in current or previous financial year.
- (xii) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- (xiii) The Company has not granted any loans or advances in the nature of loans to promoters, directors, KMPs and the related parties (as defined under Companies Act, 2013) either severally or jointly with any other person that are repayable on demand or without specifying any terms or period of repayment except loan given by SRL Limited ("the holding company") to SRL Diagnostics Private Limited ("wholly owned subsidiary") amounting to Rs. 7,700 lakhs which is repayable on demand. Refer Note 7.

**55A.** The Board of Directors, at its meeting on 18 May 2023, recommended a dividend at the rate of Rs. 2.98 per equity share on 784.26 lakh shares having face value of Rs. 10 each (fully paid up) for the financial year ended March 31, 2023. This payment is subject to the approval of shareholders in the Annual General Meeting (AGM) of the Company and if approved, would result in a net cash outflow of approximately Rs. 2,333.48 lakhs.

For the year ended 31 March 2022, the Company paid a dividend of Rs. 4.75 per equity share on 784.26 lakh shares having face value of Rs. 10 each (fully paid up). This resulted in a cash outflow of Rs. 3,725.21 lakhs.

**55B. Change in classification**

During the year ended 31 March 2023, the Company has revised the presentation of certain notes to the financial statements for better presentation. Comparative amounts in the notes to the financial statements were reclassified for consistency.

**55C. Events occurring after the Balance sheet date:**

During the year, the Company has entered in to business transfer agreement (BTA) for purchase of certain standalone labs at a consideration of Rs. 4,900.00 Lakhs. As at 31 March 2023, the acquisition of these labs is dependent on completion of pre-defined closing conditions (to be completed by seller) as mentioned in the Business Transfer Agreements. Subsequent to the year end, the said conditions have been met and the acquisitions have been completed by transfer of agreed purchase consideration.

**56. Investigation initiated by the erstwhile Audit and Risk Management Committee of Fortis Healthcare Limited ("Parent Company" or "FHL")**

- (i) As disclosed in the financial statements for the years ended March 31, 2018, March 31, 2019 and March 31, 2020, during the year ended March 31 2018, there were reports in the media and enquiries from, Inter alia, the stock exchanges received by the Parent Company about certain inter- corporate loans given by a wholly owned subsidiary of the Parent Company. The erstwhile Audit and Risk Management Committee of the Parent Company decided to carry out an independent investigation through an external legal firm on this matter. The terms of reference of the investigation, inter alia, comprised: (i) ICDs amounting to a total of Rupees 49,414 lacs (principal), placed by the Parent Company's wholly-owned subsidiary, FHsL, with three borrowing companies as on July 1, 2017; (ii) the assignment of these ICDs to a third party and the subsequent cancellation thereof as well as evaluation of legal notice (now a civil suit) received from such third party ; (iii) review of intra-group transactions for the period commencing FY 2014-15 and ending on December 31, 2017; (iv) investments made in certain overseas funds by the overseas subsidiaries of the Parent Company (i.e. Fortis Asia Healthcare Pte. Ltd, Singapore and Fortis Global Healthcare (Mauritius) Limited) ; (v) certain other transactions involving acquisition of Fortis Healthstaff Limited ("Fortis Healthstaff") from an erstwhile promoter group company of Parent company, and subsequent repayment of loan by said subsidiary to the erstwhile promoter group company of Parent company. The investigation report of which was submitted to the re-constituted Board of Parent Company in June 2018.

The investigation noted certain significant findings in relation to past transactions concerning FHL and its subsidiaries with companies whose current and/ or past promoters/ directors were known to/ connected with the erstwhile promoters of the Parent Company. All such identified transactions were provided for by the Parent Company and its subsidiaries in the financial statements for the year ended March 31 2018.

The investigation was subject to the limitations on the information available to the external legal firm and their qualifications and disclaimers as described in their investigation report. It did not cover all related party transactions during the period under investigation. It was observed in internal correspondence within the Parent Company that transactions with certain other entities have been referred to as related party transactions. However, no further conclusions could be drawn in this regard.

- (ii) Related party relationships as required under Ind AS 24 – Related Party Disclosures and the Companies Act, 2013 were as identified by the Management taking into account the findings and limitations in the Investigation Report and the information available with the Management. In this regard, in the absence of specific declarations from the erstwhile directors on their compliance with disclosures of related parties, especially considering the substance of the relationship rather than the legal form, the related parties were identified based on the declarations by the erstwhile directors and the information available through the known shareholding pattern in the entities up to March 31, 2018. Therefore, the possibility could not have been ruled out that there may have been additional related parties whose relationship may not have been disclosed and, hence, not known to the Management. While such references could not be fully analyzed during the initial investigation, the nature of these references raised certain concerns.

In order to overcome the above, the Parent Company's Board of Directors initiated additional procedures/ enquiries of certain entities in the Fortis Group that were impacted in respect of the matters investigated by the external legal firm. Pending the additional procedures/enquiries ("Additional Procedures/ Enquiries") and since the investigation was subject to the limitations on the information available to the external legal firm and their qualifications and disclaimers as described in their investigation report, as disclosed in the audited financial statements for the years ended March 31, 2018, March 31, 2019 and March 31, 2020, certain audit qualifications were made in respect of Parent Company and its Subsidiaries (including the company's) financial statements for those financial years, as the statutory auditors were unable to comment on the nature of those matters, the provisions established thereof, or any further potential impact on the financial statements.

In order to resolve the same, the Board of the Parent Company mandated the management to undertake review of certain areas in relation to historical transactions for the period April 1, 2014 to September 30, 2018 involving additional matters by engaging independent experts with specialized forensic skills to assist with the Additional Procedures/Enquiries and provide inputs and expert advice in connection therewith. The independent experts submitted their report which was discussed and considered by the Board of the Parent Company in its meeting held on September 16, 2020.

The Board of Company and its subsidiaries noted that the Additional Procedures/Enquiries had not revealed any further instances of improper transactions which had not been expensed or provided in earlier years.

In connection with the potentially improper transactions, the Parent Company has undertaken a detailed review to assess its legal rights and has initiated necessary action.

**(iii) Key findings during the investigation by the external legal firm and during the Additional Procedures/Enquiries by independent experts**

In July 2017 a Memorandum of Understanding (MoU) was entered between SRL Limited (SRL or 'Company') and a body corporate (Dignity) for lease of a office space, which were amended on different dates. The Company had paid Rs. 460 Lakhs towards security deposit and fit-outs/ interior decoration to the body corporate, which was refundable on either expiry of the term of the MoU or its earlier termination. In addition, the Company has incurred Rs. 315.20 Lakhs on the said proposed office space as capital expenditure/ advance paid, to other third party vendors. The validity of MoU was extended until 31 March, 2018.

The MoU was not extended further and the Company asked the Body Corporate to refund the amounts, due as per the MoU. The party had provided the Company with two post-dated cheques for Rs. 460 Lakhs which were banked on 13 June, 2018 by the Company, but were returned from the bank with the comment "refer to drawer". As the amounts were not received, the Company had served legal notice on 3 July 2018 under Section 138 of the Negotiable Instrument Act against the body corporate. Complaint under Negotiable Instruments Act, 1881 had been filed against Dignity, its Directors and authorized signatories" (Dignity officers) before Metropolitan Magistrate Court, Mumbai ("Hon'ble Court") in August 2018. The matter is currently, pending with Hon'ble Court for further proceeding. The company has also initiated arbitration proceeding against the body corporate for recovery of Rs.460 Lakhs paid towards security deposit and Rs.304 Lakhs Incurred pertaining to the office space. Vide order dated February 20, 2019 Hon'ble Delhi High Court appointed an arbitrator before whom company has filed its claim. Further, the company have filed their respective claims before Interim Resolution Professional (IRP) appointed by NCLT in a matter filed by one of creditors of body corporate. IRP is currently adjudicating the claims of various creditors of the body corporate including that of the company.

In view of the facts stated above and the uncertainty in the ultimate recovery of the aforesaid balances, the Company had recorded provisions aggregating to Rs. 775.20 lakhs (Capital advances Rs 302.14 Lakhs, Security deposits of Rs. 200.00 Lakhs, Capital work in progress of Rs. 273.06 Lakhs) in these Standalone Financial Statements.

SFIO has sought information in respect of this transaction from Parent Company and the same has been duly provided by the Parent Company. Further, a complaint has been filed by the Parent Company and FHsL with the EOW in November 2020 against its ex-promoters and their related entities for certain other matters, in which a reference had been made to such SFIO enquiries as well as to the Companies responses thereto and EOW is investigating the matter. A First Information Report (FIR) was registered by EOW in July 2021 against the above complaint.

Based on investigation carried by the external legal firm and the additional procedures/enquiries by independent experts, all identified/required adjustments/disclosures have been made in the financial statements of the Company. The Parent Company has also submitted findings of the Investigation Report of the external legal firm and the additional procedures/ enquiries by independent experts to the relevant regulatory authorities. Further, on certain aspects, the Parent Company and Fortis Hospitals Limited (FHsL) have also filed a complaint with the EOW against the erstwhile promoters/ erstwhile promoter group companies and EOW is investigating the matter. Recovery /claim proceedings have also been initiated in the matters where action was recommended by the legal counsels. A First Information Report (FIR) was registered by EOW in July 2021 against the above complaint.

Therefore, with this conclusion, the initial investigation initiated by the erstwhile ARMC, which was subject to the limitations on the information available to the external legal firm and their qualifications and disclaimers has been addressed through the additional procedures/enquiries by independent experts. In addition, the reconstituted Board of the Parent Company had initiated specific improvement projects to strengthen the process and control environment. The projects included revision of authority levels, both operational and financial and oversight of the Board, review of Financial Reporting processes, assessment of secretarial documentation w.r.t compliance with regulatory requirements and systems design & control enhancement for which the assessment work was done and corrective action plans were implemented.

Accordingly, the Board of the Parent Company has taken necessary actions in consultation with the legal counsels in this regard. The investigations in so far as these issues involving the erstwhile promoters/ erstwhile promoter group companies is concerned are still pending with the regulatory authorities. The management of the Company also believes that if any action is initiated by regulatory authorities against the Company, the same should not have a significant material impact on the Company as all items which may have financial impact have already been provided for in earlier years. The Company would fully co-operate with the regulatory authorities in this regard.

**57. Matters in relation to Regulatory Authorities**

- (i) During financial year 2017-18, the Parent Company received a communication from the Securities and Exchange Board of India (SEBI), stating that an investigation has been instituted by it in the matter of the Parent Company. In the said investigation, SEBI requisitioned from the Parent Company certain information and documents relating to short term investments of approximately INR 473 Crores given by a wholly owned subsidiary of the Parent company, Fortis Hospitals Limited ("FHsL"), which had been reported in media. Subsequently, a Show-Cause Notice (SCN -1) was issued by SEBI to various entities including the Parent Company, FHsL on November 20, 2020 with certain allegations. In response, a joint representation/reply was filed by the Parent Company and FHsL on December 28, 2020 praying for quashing of the SCN on various grounds.

In the joint representation/reply, the Parent Company and FHsL have submitted that they were in fact the victims of the wrongdoings of the Erstwhile Promoters (Malvinder Mohan Singh and Shivinder Mohan Singh) of the Parent Company and that victims ought not to be punished for the acts and offences of the wrongdoers. Further, the Parent Company and FHsL have submitted that the Erstwhile Promoters controlled the affairs of the Parent Company and FHsL at the time when the acts forming the subject matter of the SCN happened. The Erstwhile Promoters are no longer associated with the Parent Company and a new promoter (i.e. NTK Venture Pte. Ltd.) has assumed control of the Parent Company with the approval of the Competition Commission of India and SEBI (which has approved the open offer process triggered by the change in control). Further, various legal actions have been initiated against the Erstwhile Promoters and several steps have been taken in order to recover the diverted amounts. As such, any adverse orders against the Parent Company and FHsL would harm their existing shareholders, employees and creditors. Oral submissions in response to the SCN were made before the SEBI, Whole Time Member on January 20, 2021, and a written synopsis of the same was filed.

On April 09, 2021, SEBI issued another Show cause notice (SCN-2) to various parties including Escorts Heart Institute and Research Centre Limited, a subsidiary of the Parent Company. In the said show cause notice, with respect to EHIRCL, it has been alleged that Rupees 567 crore was lent by the Company to EHIRCL in 2011, which was subsequently transferred by EHIRCL to Lowe Infra and Wellness Private Limited ("Lowe") in multiple transactions for the purchase of a land parcel. This land parcel, which was alleged to be indirectly acquired by the Company through its subsidiary EHIRCL and another entity Lowe, was then transferred to RHC Holdings Private Limited ("RHC Holdings"). It has been stated in the said Show cause notice that a structured rotation of funds was carried out to portray that the loan extended by the Company for the purchase of land had been paid back with interest in the year 2011. It is alleged that the Parent Company was actually paid back by RHC Holding over a period of four years ending on July 31, 2015. In this respect, the Parent Company and FHsL funds were allegedly routed through various layers in order to camouflage the transactions, and to circumvent legal provisions with respect to related party transactions.

SEBI has passed an order dated April 19, 2022 w.r.t SCN -1 and directed the Parent Company & FHsL to pursue the measures taken to recover the amount along with the interest from erstwhile Promoters & Audit Committee of Parent Company to regularly monitor the progress of such measures and report the same to Board of Directors at regular intervals. In respect to SCN-2, SEBI passed an order dated May 18, 2022. Based on the aforesaid allegations and actions taken by the Parent Company against the erstwhile promoters and related entities, SEBI has imposed a penalty of Rs 100 lacs, Rs 50 lacs and Rs. 100 lacs on Parent Company, FHsL and EHIRCL respectively. Parent Company FHsL and EHIRCL have filed an appeal against the order dated April 19, 2022 before Hon'ble Securities Appellate Tribunal, Mumbai and the matter is currently pending. No such notice has been received from SEBI by Company or its subsidiaries.

- (ii) During year ended March 31, 2018, the Registrar of Companies (ROC) under section 206(1) of the Companies Act, 2013, inter alia, had sought information in relation to the Parent Company. All requisite information in this regard has been duly shared by the Parent Company with the ROC.
- (iii) The Serious Fraud Investigation Office (SFIO) of the Ministry of Corporate Affairs, under section 217(1)(a) of the Companies Act, 2013, inter alia, initiated an investigation and sought information in relation to the Parent Company, its subsidiaries (including the Company), joint ventures and associates. The Parent Company and the Company has submitted requisite information in this regard with SFIO, as requested from time to time. The outcome of the SFIO investigation cannot be ascertained as of now keeping in view the present stage of investigation.

The Investigation Report of the external legal firm was submitted by the Parent Company to the SEBI, and SFIO on June 12, 2018. Further, the Parent Company has filed complaints in the EDW against its ex- promoters and their related entities. A copy of the report of the additional procedures/ enquiries done by the independent expert have also been submitted to SEBI and SFIO on November 10, 2020.

The Parent Company, its subsidiaries (including the company) are co-operating with the regulators in relation to the ongoing investigations to enable them to make their determination on these matters and to undertake remedial action, as may be required, and to ensure compliance with applicable laws and regulations. As per the management and in consultation with external legal counsel it is believed that the likelihood of additional impact, if any, is low and is not expected to be material.

**SRL LIMITED**  
**NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS**

**58. Claims assessed as contingent liability and not provided for, unless otherwise stated**

A party ("Assignee" or "Plaintiff") has filed a Civil Suit before the District Court, Delhi in February 2018 against various group entities (together "the defendants") and have, inter alia, claimed implied ownerships of brands "SRL" ["Fortis" and "La-Femme" of Fortis Healthcare Limited (the 'Parent company')] in addition to certain financial claims and for passing a decree that consequent to a term sheet dated 6 December 2017 ("Term sheet") between the defendants and a third party, the defendants are liable for claims owed by the Plaintiff to the third Party. In connection with this, the District Court passed an ex-parte order directing that any transaction undertaken by defendants, in favour of any other party, affecting the interest of the Plaintiff shall be subject to orders passed in the said suit. The above referred Third Party has sought to be substituted as a Plaintiff in the District Court proceedings.

The Parent Company has filed written statement denying all allegations made against it and prayed for dismissal of the Civil Suit on various legal and factual grounds. The Parent Company has in its written statement also stated that It has not signed the alleged Term Sheet with the third Party. The matter is pending adjudication before District Court, Delhi.

In addition to the above, the Parent Company has also received four notices from the Claimant claiming (i) Rs. 1,800 Lakhs as per notices dated May 30, 2018 and June 1, 2018 (ii) Rs. 21,582 Lakhs as per notice dated June 4, 2018; and (iii) Rs. 1,962 Lakhs as per notice dated June 4, 2018. All these notices have been responded to by the Parent Company denying any liability whatsoever.

Separately, the third party has also alleged rights to invest in the Parent Company. It has also alleged failure on part of the Parent Company to abide by the aforementioned Term Sheet and has claimed ownership over the brands as well.

Allegations made by the third party has been duly responded to by the Parent Company denying (i) execution of any binding agreement with the Party and (ii) liability of any kind whatsoever. The matter is pending adjudication before District Court, Delhi. The Parent Company has also filed an application for perjury against the third Party and certain other persons before the Hon'ble High Court of Delhi which has issued notice to them.

Daiichi on 8 July 2020 had moved an application for restricting the Licensor from selling, alienating or creating any third party interest in the Brand SRL by asserting that such actions would prejudice their right to execute the award. Further, there is a "freezing order" by the Delhi High Court on the Licensor of SRL brand. Daiichi under this application also sought for valuation and sale of SRL brand, SRL has filed the reply/ objection to the said application and the application is pending adjudication before Delhi High Court.

During the quarter ended September 30, 2020, an application was filed by the Parent Company before the Hon'ble Supreme Court of India, praying for permission to it and its subsidiaries for changing their respective names, brands and logos; and for continued usage of the same if the said application was not disposed of prior to expiry of the term of the Brand License Agreement to allow adequate time for smooth Brand transition without any disruption to business. In the month of May 2021, the brand licence agreement has expired. The Hon'ble Supreme Court of India has disposed of the Petitions, and the Company is evaluating the path ahead in consultation with its legal advisors with regard to the brand transition.

Based on advice of external legal counsel, the Management believes that the claims are without legal basis and are not tenable and accordingly no adjustment is required in these Standalone Financial Statements with respect to these claims.
